Wall Mounted Cabinet User Manual

Model: 3 Doors, Size: 27.6x23.62 inch

INTRODUCTION

This manual provides detailed instructions for the assembly, installation, operation, and maintenance of your DICTAC Medicine Cabinet with Mirror and Storage. Please read all instructions carefully before beginning installation and retain this manual for future reference.

Safety Information

Important Safety Precautions:

- Always unplug and turn off power to the area before installing or maintaining the cabinet.
- Exercise caution when adjusting shelves or using the mirror to prevent injury.
- Keep the cabinet clean and dry to prevent mold or damage.
- Do not overload the cabinet as this may cause it to tip over or break. The maximum weight capacity is 66 pounds.

SETUP AND INSTALLATION

Your DICTAC medicine cabinet is designed for easy assembly and offers two installation methods: wall-mounted or recessed. All necessary installation guides, hardware, and tools are included. All parts are numbered to facilitate step-by-step installation.

Figure 2: Wall-Mounted and Recessed Installation Options

Wall-Mounted Installation:

1. Identify a suitable wall location, ensuring it can support the cabinet's weight (29 pounds empty, plus contents).
2. Mark the drilling points on the wall according to the provided template or measurements.
3. Drill pilot holes and insert wall anchors if necessary.
4. Secure the mounting hardware to the wall.
5. Carefully lift and attach the assembled cabinet to the mounted hardware.

Recessed Installation:

1. Consult a professional for recessed installation to ensure proper wall cavity preparation and structural integrity.
2. Ensure the wall opening matches the cabinet dimensions precisely.
3. Secure the cabinet within the recessed opening using appropriate fasteners.

OPERATION

The DICTAC medicine cabinet is designed for convenient storage and daily use.

Adjustable Shelves

The cabinet features 3 inner partitions that can be adjusted up and down freely. The adjustment range is 6cm (approximately 2.36 inches) up or down, allowing you to customize storage space for items of various sizes, such as sanitary products, toiletries, and medicines.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your medicine cabinet.

Cleaning Instructions

- For the mirror surfaces, use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.
- For the cabinet surfaces (engineered wood with waterproof and moisture-proof painting), wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- Immediately wipe away any spills or moisture to prevent water damage or mold growth.
- Regularly check hinges and hardware for tightness and adjust as needed.

TROUBLESHOOTING

This section addresses common issues you might encounter with your medicine cabinet.

Common Issues:

- **Doors not closing properly:** Check if hinges are loose or misaligned. Tighten screws or adjust hinge positions as necessary. Ensure no items inside the cabinet are obstructing the doors.
- **Mirror streaks after cleaning:** Use a clean, dry microfiber cloth for polishing after cleaning. Avoid using too much cleaner.
- **Cabinet feels unstable:** Verify that all mounting hardware is securely fastened to the wall and the cabinet. Do not exceed the maximum weight capacity of 66 pounds.

If you encounter issues not listed here or require further assistance, please contact customer support.
