#### HAZARD

At Shnuggle, the safety and wellbeing of our customers is our highest concern. For this reason, we are issuing a voluntary safety alert for the following product.

When the bath is fitted correctly the Shnuggle Folding Bath Stand exceeds all European safety standards and does not pose a safety risk. However, if the bath is fitted incorrectly to the stand, there is a risk that the baby in the bath could fall from a height.

#### WHAT TO DO

As the safety of our customers is our highest priority, we have designed a **Safety strap** that can be quickly and easily fitted to the folding bath stand to prevent this risk.

If you own a Shnuggle Folding Bath Stand, please stop using the product immediately and order a free safety strap using the following link:

The strap can be quickly and easily fitted to the stand and does not affect the function of the stand in any way.
