Max & Lily 180224-121

Max & Lily Low Loft Bed, Twin Bed Frame For Kids With Stairs, Grey

Model: 180224-121
Brand: Max & Lily

Introduction

The Max & Lily Twin Low Loft Bed with Staircase is designed to provide a functional and space-saving sleeping solution. Standing only 50 inches high, this low loft design is suitable for smaller rooms and younger children. The top bed features 14-inch tall guardrails for safety, accommodating standard mattress sizes. The staircase, with its rounded edges, offers comfortable and easy climbing, and is reversible and removable for flexible placement. Constructed from solid, knot-free New Zealand pine wood with a durable, non-toxic, low VOC finish, this bed ensures strength and stability. The slatted head and footboards, along with flush, color-matched hardware, contribute to a clean, modern aesthetic. The bed includes instructions, a slat roll, and all necessary hardware for assembly. With solid plywood slats and a metal support bar, the top sleeping surface supports up to 400 pounds. This bed meets or exceeds Federal safety standards for children's furniture. The underbed space can be utilized for play or additional storage. Assembly typically requires two or more adults.

Safety Information

- For safe assembly, use 2 or more adults.
- Ensure all parts are present and properly assembled according to instructions.
- Do not exceed the maximum weight capacity of 400 lbs per sleeping surface.
- Keep fingers and limbs away from moving parts during assembly to avoid injury.
- Inspect regularly for loose connections and tighten as necessary.
- This bed frame is not intended for use as a climbing structure or play equipment.
- Use with a 5-inch-thick mattress for best fit and safety. Do not exceed a mattress thickness of 8 inches.

Product Features

- **Superior Quality:** Solid, knot-free New Zealand pine wood bed frame with a durable, non-toxic, low VOC finish.
- **Sturdy & Stable:** High 400-pound resting weight capacity per sleeping surface. Features strong plywood slats with a metal support bar. Metal-on-metal structural connections prevent loosening over time.
- **Modern, Clean Design:** Slatted headboard with flush, color-matching hardware for a clean finish.

- **Space-saving:** Loft design opens up floor space. Total footprint (including staircase) 99.5"L X 42.5"W X 50"H. Actual bed measurements excluding staircase 81.5" X 42.5" X 50" In (LxWxH). Ideal for low ceilings with an underbed height of 33.25 inches.
- **Versatile Staircase:** Can be installed on the left or right-hand side during assembly. Offers extra space for storage in built-in staircase shelves.
- **Safety Guard Rails:** Generous 14-inch safety guard rails.

Setup and Assembly

Assembly of the Max & Lily Low Loft Bed requires careful attention to the included instructions and the assistance of at least two adults. All necessary hardware is provided. Ensure all components are accounted for before beginning assembly. The staircase unit can be configured on either the left or right side of the bed frame to best suit your room layout.

Operating Instructions

Once assembled, the low loft bed provides a comfortable sleeping area and a versatile space underneath. The top bunk is accessed via the integrated staircase, which features built-in shelves for convenient storage of books, toys, or other small items. The open area beneath the bed can be used as a play zone, a reading nook, or for additional storage solutions. Ensure that the mattress used on the top bunk does not exceed 8 inches in thickness to maintain the effectiveness of the safety guard rails.

Maintenance

To ensure the longevity and safety of your Max & Lily Low Loft Bed, regular maintenance is recommended. Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten any loose hardware as needed. Clean the wood surfaces with a soft, damp cloth and mild soap. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish. Keep the bed away from direct sunlight and extreme temperature changes to prevent wood warping or fading.

Troubleshooting

- **Wobbling:** If the bed feels wobbly, carefully re-check all assembly connections. Ensure all bolts and screws are fully tightened. Refer to the assembly instructions to confirm all parts are correctly installed.
- **Missing Parts:** If any parts are missing upon unboxing, contact customer support immediately. Do not attempt to assemble the bed with incomplete parts.

- **Damaged Parts:** If any components are damaged, do not proceed with assembly. Contact customer support for replacement parts.
