Logitech 920-009312

Logitech Rugged Folio User Manual

Model: 920-009312 | Brand: Logitech

PRODUCT OVERVIEW

The Logitech Rugged Folio is a protective keyboard case designed for iPad (7th, 8th & 9th generation). It offers heavy-duty protection against drops, spills, and scratches while maintaining a slim profile. This all-in-one case features a durable, spill-proof keyboard with convenient shortcut keys and provides front and back protection for your device. It also includes a dedicated storage spot for digital pencils.

PACKAGE CONTENTS

- Logitech Rugged Folio for 7th, 8th, or 9th Generation iPad

Please ensure all components are present upon unboxing. If any items are missing or damaged, contact Logitech support.

SETUP AND CONNECTION

The Logitech Rugged Folio connects to your iPad using the Smart Connector, eliminating the need for Bluetooth pairing or separate charging. Simply align your iPad with the Smart Connector on the case, and it will magnetically click into place, establishing an instant connection and drawing power directly from your iPad.

1. Open the Rugged Folio case.
2. Align your iPad (7th, 8th, or 9th generation) with the Smart Connector pins located on the case.
3. Gently press the iPad into the case until it magnetically snaps into position.
4. The keyboard will automatically power on and be ready for use. No pairing or charging is required for the keyboard.

INSTANT POWER AND PAIRING
via Smart Connector

Image: Instant power and pairing via Smart Connector. The iPad connects seamlessly to the keyboard case.

OPERATING MODES

The Rugged Folio offers four versatile use modes to adapt to various tasks and environments:

- **Typing Mode:** Position the iPad upright with the keyboard extended for comfortable typing.
- **Sketching Mode:** Fold the keyboard behind the iPad and adjust the stand to a lower angle for drawing or writing with a digital pencil.
- **Viewing Mode:** Fold the keyboard back and use the integrated kickstand to prop up the iPad for watching videos or presentations.
- **Reading Mode:** Fold the keyboard completely behind the iPad for a comfortable handheld reading experience.

Keyboard Features

- **Spill-Proof Keys:** The durable membrane seals the keyboard, protecting it from spills and crumbs.
- **Full Row of iOS Shortcut Keys:** Access common iPad functions directly from the keyboard, including media controls, volume, search, and home.
- **Silent Keys:** Designed for quiet typing, minimizing disturbance in quiet environments.

**TYPE, SKETCH,
READ AND WATCH**

Image: The Rugged Folio supports multiple modes: Type, Sketch, Read, and Watch.

1. Silent Keys

2. Row of shortcut keys

3. Secure magnetic latch

4. Holder fits Apple Pencil (1st gen) and Logitech Crayon

MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Logitech Rugged Folio, follow these maintenance guidelines:

- **Cleaning the Keyboard:** The keyboard is spill-proof. In case of spills, gently wipe the surface with a damp cloth. Do not submerge the keyboard or use harsh chemical cleaners.
- **Cleaning the Case:** Use a soft, lint-free cloth to wipe down the exterior of the case. For stubborn marks, a slightly damp cloth with mild soap can be used, followed by drying thoroughly.
- **Storage:** When not in use, ensure the magnetic latch holds the case securely closed to protect your iPad screen. Store in a cool, dry place away from extreme temperatures.
- **Pencil Holder:** The integrated holder is designed for Logitech Crayon and Apple Pencil (1st gen). Ensure your digital pencil is securely placed to prevent loss.

SPILL-PROOF DIRT RESISTANT KEYS

TROUBLESHOOTING

If you encounter issues with your Logitech Rugged Folio, try the following steps:

- **Keyboard Not Responding:**

- Ensure your iPad is correctly seated and aligned with the Smart Connector. Remove and re-attach the iPad to ensure a secure connection.
- Restart your iPad.
- Ensure your iPad's operating system is up to date.

- **Keys Feeling Stiff or Unresponsive:**

- Check for any debris or foreign objects under or around the keys. Clean the keyboard surface as described in the Maintenance section.

- **Case Not Closing Securely:**
 - Ensure no objects are obstructing the magnetic latch.

For further assistance, refer to the official Logitech support resources or the full installation manual.

SPECIFICATIONS

Feature	Detail
Product Dimensions	10.2"L x 7.4"W x 0.9"H (25.9 x 18.8 x 2.3 cm)
