3. PRODUCT OVERVIEW AND FEATURES

The INIU Portable Charger is designed for fast and efficient charging of various electronic devices. Key features include:

- **22.5W Power Delivery 3.0 USB-C Port:** For rapid charging and recharging.
- **Dual QC 4.0+ USB Outputs:** Allows simultaneous charging of multiple devices.
- **20000mAh Capacity:** Provides multiple charges for smartphones and tablets.
- **LED Digital Display:** Shows precise battery percentage.
- **Built-in Flashlight:** For emergency illumination.

- **Wide Compatibility:** Supports various devices including phones, tablets, AirPods, Bluetooth headphones, fitness trackers, and smartwatches.

4. SETUP AND INITIAL USE

4.1 Initial Charge of the Power Bank

Before first use, fully charge the power bank. Connect the provided USB-C cable to the IN/OUT USB-C port on the power bank and the other end to a compatible USB wall charger (not included). The LED display will show the charging progress. A full charge is indicated by "100%".

5. OPERATING INSTRUCTIONS

5.1 Charging Your Devices

Connect your device to one of the power bank's output ports (USB-C IN/OUT or USB-A OUT1/OUT2) using an appropriate charging cable. The power bank will automatically begin charging your device. The LED display will show the remaining battery percentage of the power bank.

Charge iPhone & Android Over 60% in 25 min

iPhone 16

Samsung S24

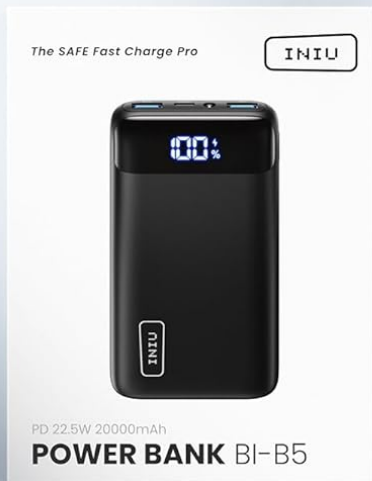

Image: Two separate illustrations showing the INIU Power Bank fast charging an iPhone 16 to 65% and a Samsung S24 to 60% in 25 minutes, highlighting its rapid charging capability.

5.2 Using the Flashlight

To activate the built-in flashlight, quickly double-press the power button. Double-press again to turn it off.

8. MAINTENANCE

- Keep the power bank away from extreme temperatures, direct sunlight, and liquids.
- Clean the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store in a cool, dry place when not in use.
- Avoid dropping or subjecting the power bank to strong impacts.

9. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|-------------------------------------|---|---|
| Power bank not charging | Cable issue, charger issue, or power bank fault. | Try a different USB-C cable and wall charger. Ensure connections are secure. |
| Device not charging from power bank | Power bank low on charge, incorrect cable, or device incompatibility. | Recharge the power bank. Use the correct charging cable for your device. Verify device compatibility. |
| Flashlight not working | Incorrect operation. | Ensure you are double-pressing the power button quickly. |

10. SAFETY INFORMATION

Please observe the following safety precautions:

- Do not disassemble, open, or shred the battery pack.
- Do not expose the power bank to heat or fire. Avoid storage in direct sunlight.
- Do not short-circuit the battery pack. Do not store battery packs indiscriminately in a box or drawer where they may short-circuit each other or be short-circuited by conductive materials.
- Do not subject the power bank to mechanical shock.
- In the event of a battery leaking, do not allow the liquid to come into contact with the skin or eyes. If contact has been made, wash the affected area with copious amounts of water and seek medical advice.
- Keep the power bank out of reach of children.
- Do not use any charger other than that specifically provided for use with the equipment.
- Dispose of the power bank properly according to local regulations. Do not dispose of with household waste.

Proposition 65 Warning: This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

11. WARRANTY AND SUPPORT

INIU provides an industry-leading **3-Year iNiu Care** warranty for this product, along with lifetime technical support. For any issues or inquiries, please contact INIU customer support through their official channels or refer to the welcome guide for contact information.
