MEGA Construx Halo Infinite Banished Skiff Vehicle (GNB21) Instruction Manual

Model: GNB21 | Brand: Mega Brands

INTRODUCTION

This manual provides detailed instructions for assembling and operating your MEGA Construx Halo Infinite Banished Skiff Vehicle building set. This set allows you to construct a Banished Skiff or an alternative Walker vehicle/protective wall, complete with micro action figures. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

Warning: Not suitable for children under 36 months. Contains small parts which may pose a choking hazard. Adult supervision is recommended during assembly and play for younger users.

ASSEMBLY INSTRUCTIONS

Before beginning assembly, ensure all 452 building blocks and parts are present. Refer to the included physical instruction booklet for step-by-step visual guidance. This set offers two primary build configurations: the Banished Skiff Vehicle or a Walker vehicle/fixed protective wall.

Step 1: Unpacking and Sorting

Carefully open the packaging and sort the building blocks by color and type. This will simplify the assembly process and help identify all components.

Image: The complete set including the Banished Skiff vehicle and four micro action figures.

Step 2: Building the Main Vehicle Structure

Follow the numbered steps in your physical instruction booklet to construct the primary frame of the Banished Skiff. Pay close attention to the orientation of each piece to ensure correct assembly.

Step 3: Assembling Alternative Configurations

This set allows for a 2-in-1 build. You can choose to build the Skiff or an alternative Walker vehicle, which can also be configured as a fixed protective wall. Consult your instruction booklet for specific steps for the alternative build options.

Image: Two alternative builds from the set: a protective wall with a figure and a smaller walker-style vehicle.

Step 4: Assembling Micro Action Figures

Assemble the four collectible micro action figures: Spartan MK VII, two Brute fighters, and a Grunt recruit. These figures

feature multiple points of articulation and come with interchangeable weapon accessories.

OPERATING INSTRUCTIONS

Once assembled, the Banished Skiff vehicle offers interactive features for enhanced play.

- **Cockpit:** The vehicle features a cockpit designed to accommodate one micro action figure. Place a figure inside to pilot the Skiff.
- **Projectile Launcher:** Utilize the integrated projectile launcher for interactive play. Load the projectile into the designated slot and activate the launch mechanism as per the physical instructions.
- **360-Degree Rotating Gun Turret:** The gun turret on the vehicle can rotate a full 360 degrees. This feature is activated by rotating the exhaust component located at the rear of the turret.
- **Micro Action Figures:** The included figures have 12 points of articulation, allowing for various poses and dynamic play scenarios. They can hold their interchangeable weapon accessories securely.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your MEGA Construx set, follow these care guidelines:

- **Cleaning:** Clean blocks with a soft, damp cloth. Avoid harsh chemicals, abrasive materials, or excessive water, as these can damage the plastic or paint.
- **Storage:** Store the assembled model or individual blocks in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or warping of plastic components.
- **Handling:** Handle the model with care to prevent pieces from detaching or breaking. Avoid dropping the set or applying excessive force.

TROUBLESHOOTING

- **Missing Pieces:** If you believe a piece is missing, double-check the packaging, sorting area, and surrounding play space. For persistent issues, refer to the manufacturer's website for replacement part information or contact Mega Brands customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned according to the instructions. Apply gentle, even pressure. Do not force pieces together, as this may cause damage to the studs or connectors.
- **Model Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed. Loose connections or incorrect placement of key structural pieces can lead to instability.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand Name	Mega Brands
Model Name	Halo Infinite Vehicle 4
Model Number	GNB21
Number of Pieces	452
Material Type	Plastic
Item Dimensions (L x W x H)	25.4 x 15.2 x 12.7 centimetres
Item Weight	297 Grams
Manufacturer Minimum Age	8 Years (96 Months)
UPC	887961866049
GTIN	00887961866049
Educational Objective	Construction Skills, Creative Thinking

WARRANTY INFORMATION

Specific warranty details for the MEGA Construx Halo Infinite Banished Skiff Vehicle (GNB21) are not provided in this manual. Please refer to the product packaging or contact Mega Brands customer service for current warranty terms and conditions.

CUSTOMER SUPPORT

For further assistance, questions, or to report issues with your MEGA Construx set, please contact Mega Brands customer support. Contact information can typically be found on the product packaging or their official website.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
