PROHEAR PROHEAR USA032

PROHEAR 032 Kids Noise Cancelling Headphones Instruction Manual

Model: PROHEAR USA032

INTRODUCTION

Thank you for choosing PROHEAR 032 Kids Noise Cancelling Headphones. These earmuffs are designed to provide effective hearing protection for children in various noisy environments, reducing noise levels by 25dB NRR. They are built for comfort, durability, and ease of use, making them suitable for children with sensitive hearing or those needing enhanced focus.

KEY FEATURES

- **25dB Noise Reduction Rating (NRR):** Effectively reduces noise levels to protect sensitive ears and aid concentration.
- **Durable Construction:** Features a robust ABS shell and ultra-lightweight design with soft materials for maximum comfort and resilience against active use.
- **Adjustable Fit:** The unique headband design distributes pressure evenly, and adjustable sizing ensures a snug fit for various head sizes and ages.
- **Enhanced Comfort:** Ultra-soft ear cushions and a padded headband provide comfort for extended wear.
- **Portable Design:** Compact and foldable for easy storage and transport, ideal for school and travel.
- **Versatile Use:** Suitable for concerts, fireworks, monster truck shows, school, mowing, household chores, and other noisy environments. Meets ANSI and CE certification standards.

SETUP AND ADJUSTMENT

Proper fit is crucial for optimal noise reduction and comfort. Follow these steps to ensure the earmuffs are correctly worn:

1. **Adjust Headband:** Gently pull or retract the stainless steel bars on each side to set the headband to a suitable length for the wearer's head.
2. **Position Ear Cups:** Place the ear cups over each ear, ensuring they fully cover the ears.
3. **Fine-Tune Fit:** Slide the headband for a perfect fit, making sure the ear cups are centered over the ears.

4. **Ensure Seal:** Confirm that each ear cup's cushion forms a firm, comfortable seal over the ear. There should be no gaps around the ears.

OPERATING INSTRUCTIONS

The PROHEAR 032 earmuffs are designed for passive noise reduction. No power source or activation is required. Simply wear them as instructed in the 'Setup and Adjustment' section.

Recommended Usage Environments:

- **Loud Events:** Concerts, fireworks displays, sporting events (e.g., monster truck shows, football games).
- **Travel:** Airplanes, busy public transport.
- **Home & School:** During study or reading in noisy environments, while mowing the lawn, or during household chores with loud appliances.
- **Sensory Support:** For children with autism or sensory sensitivities to create a calmer environment.

MAINTENANCE

To ensure the longevity and effectiveness of your PROHEAR 032 earmuffs, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior surfaces of the earmuffs with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. The material is designed for easy cleaning.
- **Drying:** Allow the earmuffs to air dry completely before storing. Do not expose to direct sunlight or high heat.
- **Storage:** Store the earmuffs in the provided carrying bag when not in use. This protects them from dust, dirt, and damage. The foldable design makes them compact for storage in school bags or backpacks.
- **Inspection:** Periodically inspect the ear cushions and headband for any signs of wear or damage. Replace if necessary to maintain optimal performance.

TROUBLESHOOTING

If you experience issues with your PROHEAR 032 earmuffs, consider the following:

- **Reduced Noise Reduction:** Ensure the earmuffs are properly adjusted and form a tight seal around the ears. Check for any gaps or obstructions. Worn or damaged ear cushions can also reduce effectiveness and may need replacement.
- **Discomfort During Wear:** Re-adjust the headband to relieve pressure points. Ensure the ear cushions are positioned correctly and not pressing uncomfortably on the ears.
- **Difficulty Adjusting:** Check the stainless steel bars for any bends or obstructions. Ensure they slide smoothly.

For further assistance, please refer to the 'Warranty and Support' section.

SPECIFICATIONS

Model Number	PROHEAR USA032
Part Number	PROHEAR 032
Noise Reduction Rating (NRR)	25dB
Item Weight	9.2 ounces
