Juboury 1054-Piece Interlocking Building Bars Instruction Manual

Model: 1054Pcs

1. INTRODUCTION

This manual provides instructions for the Juboury 1054-piece interlocking building bars set. This educational construction set is designed to stimulate creativity and develop fine motor skills through hands-on building activities. The set includes a variety of colorful bars and connectors that can be assembled into numerous shapes and structures.

Key Features:

- **Extensive Set:** Contains 1054 colorful pieces, including bars and various shapes, for diverse construction possibilities.
- **Safe and Durable Materials:** Made from high-quality, original ABS material with round edges for safety and a smooth feel.
- **Secure Connections:** Pieces are designed to snap together easily and connect securely, preventing frequent disconnections during play.
- **Educational Benefits:** Promotes a strong sense of color, understanding of geometrical shapes (including 3D forms), counting, and architectural design.
- **Variety of Shapes:** Includes 130 distinct shapes, allowing for extensive creative expression.
- **Convenient Storage:** Comes with a high-quality storage box for organized keeping of all building components.

2. PRODUCT COMPONENTS

The Juboury 1054-piece set includes a variety of interlocking bars and geometric shapes. These components are designed for easy connection and disconnection, facilitating diverse construction projects.

Colorful Entertainment

130 Shapes for Children to Have Fun!

3. SETUP AND ASSEMBLY

The Juboury building bars are designed for intuitive assembly. No tools are required. Simply connect the pieces by aligning the male and female ends and pressing them together until you hear a click. To disassemble, gently pull the pieces apart.

Basic Connection Steps:

1. Select two compatible pieces (e.g., a bar and a connector, or two bars).
2. Align the open end of one piece with the peg or slot of another.
3. Apply gentle pressure to snap the pieces together. A secure connection will be felt and often heard.
4. Repeat to build desired structures.

Video 3.1: Demonstration of basic assembly and various creations possible with the Juboury building bars.

4. OPERATING AND CREATIVE PLAY

The Juboury building bars encourage open-ended play and creative construction. Users can build a wide array of objects, from simple geometric shapes to complex structures like houses, vehicles, animals, and Ferris wheels. An idea booklet is included to provide inspiration for various models.

Imagination and creativity

Figure 4.1: Examples of creative constructions and the imaginative play they inspire.

Experiment with different combinations of bars and shapes to discover new possibilities. The flexibility of the pieces allows for both two-dimensional and three-dimensional designs. Engage in collaborative play to build larger and more intricate projects.

Figure 4.2: Children engaged in creative play with the building bars.

5. MAINTENANCE

To ensure the longevity of your Juboury building bars, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the pieces with a damp cloth and mild soap if necessary. Rinse thoroughly and air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces in the provided storage box when not in use. Keep the box in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken or cracked pieces to ensure safety during play.

6. TROUBLESHOOTING

If you encounter any issues with your Juboury building bars, consider the following:

- **Difficulty Connecting Pieces:** Ensure the pieces are correctly aligned. Apply firm, even pressure. If pieces are consistently difficult to connect, check for any debris in the connectors.
- **Pieces Not Staying Together:** Verify that the pieces are fully snapped into place. Over time, excessive force during assembly or disassembly can slightly wear down connectors. If a piece no longer holds securely, it may need to be replaced.
- **Missing Pieces:** Count your pieces upon receipt. If any pieces are missing from a new set, contact customer support.

7. SPECIFICATIONS

Product Dimensions:

5.1 x 9.8 x 7.5 inches

Item Weight:

1.3 pounds

Manufacturer Recommended Age:

3 years and up

Material:

High-quality ABS plastic

Number of Pieces:

1054

PRODUCT SIZE
