Vipack HB900314

Vipack Malia House Bed 90x200 User and Assembly Manual

Model: HB900314

1. INTRODUCTION

This manual provides detailed instructions for the safe assembly, proper use, and maintenance of your Vipack Malia House Bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The Vipack Malia House Bed is designed to provide a comfortable and imaginative sleeping space for children, accommodating a mattress of 90x200 cm. It features a sturdy wooden construction and a house-shaped frame.

2. SAFETY INFORMATION

- Adult Assembly Required:** This product must be assembled by an adult.
- Choking Hazard:** Keep small parts away from children during assembly.
- Weight Limit:** The maximum recommended weight for this bed is 90 kilograms. Do not exceed this limit.
- Regular Inspection:** Periodically check all bolts and fasteners to ensure they are tight. Tighten if necessary.
- Placement:** Position the bed away from windows, cords, or any objects that could pose a strangulation hazard.
- Mattress Size:** Use only a mattress of the specified size (90x200 cm) to prevent gaps that could trap a child.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- Bed frame components (headboard, footboard, side rails, roof frame)
- Slatted bed base

- Assembly hardware (screws, bolts, nuts, dowels, Allen key)
- Instruction manual

Note: Specific part quantities and types may vary slightly. Refer to the detailed parts list included in your product packaging.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these general steps for assembling your Vipack Malia House Bed. For detailed, step-by-step diagrams, refer to the separate assembly sheet provided in your product packaging.

1. **Prepare the Area:** Clear a spacious, flat area for assembly. Lay down a blanket or cardboard to protect the floor and bed components.
2. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure but do not fully tighten bolts until the frame is complete.
3. **Assemble Roof Frame:** Construct the house-shaped roof frame according to the diagrams. Attach the roof panels to the frame.
4. **Install Slatted Base:** Place the slatted bed base onto the support ledges within the bed frame. Secure it if required by the instructions.
5. **Final Tightening:** Once the entire bed frame is assembled and stable, go back and fully tighten all bolts and screws. Do not overtighten.
6. **Inspect:** Double-check all connections for security and stability before placing a mattress on the bed.

5. OPERATING INSTRUCTIONS

The Vipack Malia House Bed is designed for sleeping and imaginative play within its structure. Follow these guidelines for proper operation:

- **Mattress Placement:** Place a standard 90x200 cm mattress directly onto the slatted bed base. Ensure the mattress fits snugly within the frame.
- **Weight Distribution:** Encourage even weight distribution. Avoid concentrated pressure on specific areas of the bed frame or slats.
- **No Climbing:** Do not allow children to climb on the roof structure or side rails, as this could lead to injury or damage to the bed.
- **Drawer Use (if applicable):** If your model includes under-bed drawers, use them for lightweight storage only. Avoid overloading to prevent damage to the drawer runners.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Vipack Malia House Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Dusting:** Dust regularly with a dry, soft cloth.
- **Hardware Check:** Every 3-6 months, inspect all bolts, screws, and fasteners. Tighten any that have become loose.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight to prevent warping or fading.

7. TROUBLESHOOTING

If you encounter issues with your Vipack Malia House Bed, refer to the following common solutions:

- **Bed Squeaks:**
Solution: Check and tighten all assembly hardware. Ensure the bed is on a level surface.

- **Loose Parts:**

Solution: Immediately tighten any loose bolts or screws. If a part is damaged, discontinue use and contact customer support for replacement.

- **Unstable Frame:**

Solution: Verify that all components are correctly assembled according to the instructions and all hardware is fully tightened.

8. SPECIFICATIONS

Feature	Specification
Brand	Vipack
Model Number	HB900314
Color	white-417
Material	Wood
Product Dimensions (L x W x H)	214.2 x 106 x 174 cm
Item Weight	71.5 Kilograms
Maximum Weight Recommendation	90 Kilograms
