Mattel GNB25

Mega Construx Halo Warthog Rally Vehicle Instruction Manual

Brand: Mattel | Model: GNB25

PRODUCT OVERVIEW

The Mega Construx Halo Warthog Rally Vehicle is a construction set inspired by Halo Infinite, designed for builders aged 8 and up. This versatile set allows you to build an upgraded Warthog with a new buildable suspension system that adapts to various terrains, or an alternate watercraft and jetpack configuration. It includes 4 highly collectible micro action figures, enabling dynamic play and display scenarios.

Image: The complete Mega Construx Halo Warthog Rally set, showcasing the Warthog vehicle and the four included micro action figures: Master Chief, a UNSC Marine, and two Jackal Freebooters, all ready for action.

Key Features:

- Halo Infinite inspired UNSC Warthog vehicle building set with rolling wheels, cockpit, pivoting turret, and working wheelbase suspension.
- 2-in-1 building toy: Choose to build the Warthog or a watercraft and jetpack.
- Includes 4 highly collectible micro action figures: Master Chief, UNSC Marine, and 2 Jackal Freebooters, featuring authentic detail, 12 points of articulation, display stands, and interchangeable weapon accessories.
- Composed of 315 bricks and pieces, compatible with all Mega Construx building sets and other name brands.
- Designed to strengthen creative thinking skills for ages 8 and up.

SAFETY INFORMATION

WARNING: CHOKING HAZARD – Small parts. Not for children under 3 years.

Always supervise young children during play. Ensure all small components are kept out of reach of infants and toddlers to prevent accidental ingestion.

COMPONENTS

The Mega Construx Halo Warthog Rally set includes:

- 315 building bricks and pieces for the Warthog vehicle or alternate watercraft.
- 1 Master Chief micro action figure with weapon accessory and display stand.
- 1 UNSC Marine micro action figure with weapon accessory and display stand.
- 2 Jackal Freebooter micro action figures with weapon accessories and display stands.

SETUP & ASSEMBLY

This construction set requires assembly. Detailed step-by-step instructions are provided within the product packaging to guide you through the building process for both the Warthog vehicle and the alternate watercraft/jetpack configuration.

Warthog Vehicle Assembly:

Follow the included instruction booklet to assemble the UNSC Warthog. Pay close attention to the sections detailing the buildable suspension system and the pivoting turret for optimal functionality. Ensure all 315 pieces are securely connected.

Alternate Watercraft & Jetpack Build:

The set offers an alternative build option: a watercraft and a jetpack for Master Chief. Refer to the specific instructions for this configuration if you wish to build this instead of the Warthog. This provides a different play experience, allowing for air and water-based scenarios.

Image: The alternate build of the set, featuring a watercraft with a mounted turret and Master Chief equipped with a buildable jetpack, demonstrating the versatility of the construction set.

Assembly Demonstration Video:

OPERATING INSTRUCTIONS

- **Vehicle Operation:** The Warthog features rolling wheels for smooth movement across surfaces. The pivoting turret can be rotated manually to aim in different directions. The working wheelbase suspension allows the vehicle to adapt to uneven terrain, enhancing play realism.
- **Figure Placement:** Micro action figures can be placed inside the Warthog's cockpit or on the turret. For the watercraft, figures can be seated or positioned as desired.
- **Figure Articulation:** Each micro action figure has 12 points of articulation, allowing for dynamic posing and interaction with the vehicle and other figures.
- **Accessory Use:** Interchangeable weapon accessories can be equipped by the figures to customize their loadouts for various play scenarios.

MAINTENANCE

- **Cleaning:** To clean the building blocks and figures, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or paint.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. Keeping the pieces in their original box or a dedicated storage container will help prevent loss of small parts.
- **Handling:** While durable, avoid excessive force when connecting or disconnecting pieces to prevent breakage.

TROUBLESHOOTING

- **Missing Pieces:** If you find any pieces missing from your set upon opening, please contact Mattel customer support with your product details.
- **Loose Connections:** Ensure pieces are firmly pressed together during assembly. If a connection feels loose, double-check the instruction steps to confirm correct placement and orientation.
- **Figures Not Fitting:** Verify that figures are correctly oriented and aligned with seating areas or attachment points. Some accessories may require specific hand positions.

SPECIFICATIONS

| | |
|--------------------|-------------------------|
| Product Dimensions | 2.13 x 11 x 10.3 inches |
| Item Weight | 15 ounces |

| | |
|-------------------------------------|----------------|
| Item Model Number | GNB25 |
| Manufacturer Recommended Age | 8 years and up |
| Number of Pieces | 315 |
