# User Manual for BYTECH Ergonomic Headphone

Model: CLAUEB121WT | Brand: Bytech

## 1. INTRODUCTION

Thank you for choosing the BYTECH Ergonomic Headphone (Model: CLAUEB121WT). This manual provides essential information for the proper setup, operation, and maintenance of your new headphone. Please read it thoroughly before use.

This headphone features a convenient single-earbud design, which enhances safety by allowing environmental awareness, making it ideal for activities such as running, biking, or driving. Its ergonomic design ensures a comfortable fit, and the inline button control provides easy access to call and audio functions.

Figure 1: BYTECH Ergonomic Headphone. This image displays the black, wired single-earbud headphone with its inline control button and tangle-free ribbon cable.

## 2. SETUP

### 2.1 Unpacking and Components

Carefully remove all items from the packaging. Ensure the following components are present:

- BYTECH Ergonomic Headphone (CLAUEB121WT)
- Small, Medium, and Large Ear-cups (pre-installed or in separate bag)

### 2.2 Connecting the Headphone

The BYTECH Ergonomic Headphone uses a standard 3.5 mm audio jack for wired connectivity.

1. Identify the 3.5 mm audio jack on your audio device (smartphone, tablet, laptop, etc.).
2. Insert the 3.5 mm plug of the headphone firmly into the audio jack of your device until it clicks into place.

3. Adjust the ear-cup size for a comfortable and secure fit. The headphone comes with small, medium, and large ear-cups to ensure optimal comfort.

## 3. OPERATING INSTRUCTIONS

### 3.1 Audio Playback

Once connected to your audio device, the headphone will play audio from your device. Use your device's volume controls to adjust the sound level.

### 3.2 Inline Button Control

The headphone features a handy inline button control for convenient operation without needing to access your device directly.

- **Single Press:** Play/Pause audio playback.
- **Single Press (during call):** Answer an incoming call or end an active call.
- **Double Press:** Skip to the next track (functionality may vary by device).
- **Triple Press:** Go back to the previous track (functionality may vary by device).
- **Press and Hold:** Activate voice assistant (e.g., Siri, Google Assistant) or reject an incoming call (functionality may vary by device).

## 4. MAINTENANCE AND CARE

Proper care will extend the life of your BYTECH Ergonomic Headphone.

- **Cleaning:** The sweat-proof, tangle-free ribbon cable design is easy to clean. Use a soft, dry cloth to wipe down the headphone and cable. For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the earbud or 3.5mm jack.
- **Storage:** When not in use, store the headphone in a clean, dry place away from extreme temperatures and direct sunlight. Avoid tangling the cable.
- **Moisture:** While sweat-proof, avoid submerging the headphone in water or exposing it to heavy rain.
- **Handling:** Do not pull on the cable to disconnect the headphone from your device. Always grasp the 3.5 mm plug.

## 5. TROUBLESHOOTING

If you experience issues with your headphone, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No sound or low volume	Headphone not fully plugged in. Device volume too low or muted. Incorrect audio output selected on device. Damaged cable or jack.	Ensure the 3.5 mm jack is fully inserted. Increase volume on your device. Check audio settings on your device to ensure output is directed to the headphone. Try the headphone with another device. If still no sound, the headphone may be damaged.

Problem	Possible Cause	Solution
Microphone not working	Headphone not fully plugged in. Device microphone settings. App permissions.	Ensure the 3.5 mm jack is fully inserted. Check your device's microphone input settings. Ensure the app you are using has microphone permissions.
Inline button not responding	Incompatibility with device. Software glitch.	Some functions may not be supported by all devices. Restart your audio device.

If the problem persists after trying these solutions, please contact customer support.
