PRODUCT COMPONENTS AND USAGE

1. Beard Oil

The beard oil is formulated with 100% pure natural ingredients including Argan oil, Jojoba oil, Aloe, and Vitamin E. It is unscented and free from harsh chemicals.

Benefits:

- Softens and adds shine to your beard.
- Helps prevent itchiness and irritation.
- Promotes active beard growth.
- Moisturizes beard and underlying skin.

How to Use:

1. Dispense a few drops of beard oil into your palm. The amount depends on beard length and thickness.
2. Rub your hands together to spread the oil.
3. Massage the oil into your beard, ensuring it reaches the skin beneath.
4. Distribute evenly using your fingers or a beard comb.

2. Beard Balm

The beard balm shares the same natural ingredients as the beard oil, providing nourishment and light styling hold. It is unscented.

Benefits:

- Nourishes and softens beard hair.
- Provides a light hold for shaping and styling.
- Keeps beard and skin moisturized.

How to Use:

1. Scrape a small amount of balm with your thumbnail.
2. Rub the balm between your palms until it melts.
3. Apply to your beard, working from root to tip.
4. Style your beard as desired using a comb or brush.

3. Beard Conditioner

The beard conditioner is made with 100% natural and organic ingredients, designed to cleanse and soften your beard.

Benefits:

- Helps prevent dandruff.
- Cleanses and smooths beard hair.
- Reduces itching and irritation.

How to Use:

1. Wet your beard thoroughly with warm water.
2. Apply a small amount of conditioner to your hands.
3. Massage it into your beard, ensuring full coverage.
4. Rinse your beard thoroughly with warm water until all conditioner is removed.

4. Boar Bristle Beard Brush

The brush features 100% natural boar bristles and a natural bamboo handle.

Benefits:

- Distributes beard oil and balm evenly.
- Exfoliates the skin beneath the beard.
- Helps to detangle and style beard hair.

How to Use:

Brush your beard daily, especially after applying oil or balm, to keep it neat and to stimulate hair follicles.

5. Wooden Beard Comb

Crafted from natural solid wood with fine, anti-snag teeth.

Benefits:

- Detangles beard hair without static.
- Helps shape and style your beard.
- Ideal for longer beards to ensure even product distribution.

How to Use:

Use the comb to detangle and shape your beard, working through knots gently. It can be used before or after applying products.

6. Stainless Steel Beard Scissors

These scissors are designed for precise trimming and shaping of your beard and mustache.

How to Use:

1. Ensure your beard is clean and dry.
2. Comb your beard to identify stray hairs or uneven areas.
3. Carefully trim individual hairs or shape your beard as desired. Always trim small amounts at a time.

Superior Trimming Kit

You can shape and styling your beard as you like

MAINTENANCE AND CARE

Cleaning the Brush and Comb:

- Regularly remove trapped hairs from the brush and comb.
- For a deeper clean, wash with mild soap and warm water. Rinse thoroughly and allow to air dry completely before storage.

Cleaning the Scissors:

- Wipe the blades clean with a soft cloth after each use.
- Store in a dry place to prevent rust.

Product Storage:

- Store all products in a cool, dry place, away from direct sunlight.

- Keep lids and caps tightly closed to maintain product freshness.

TROUBLESHOOTING COMMON BEARD ISSUES

- **Dry or Brittle Beard:** Regular application of Ceenwes Beard Oil and Balm will provide essential moisture and nutrients, improving beard texture and softness.
- **Beard Itch or Skin Irritation:** The natural ingredients in the Beard Oil and Conditioner are designed to soothe the skin and reduce itchiness. Ensure proper cleansing with the conditioner.
- **Unruly or Tangled Beard:** Use the wooden comb to detangle gently, followed by the boar bristle brush to smooth and style. Beard Balm can help provide a light hold.
- **Uneven Beard Growth:** While products can promote healthy growth, consistent trimming with the scissors can help maintain a neat appearance.
