WishaLife LX.A340 A346

WishaLife City Fire Station Set Instruction Manual

Model: LX.A340 A346

1. PRODUCT OVERVIEW

The WishaLife City Fire Station Set is a comprehensive building block toy designed for children aged 6 and above. This set allows for the construction of a detailed city fire station, a heavy transport truck with a flatbed trailer, and a helicopter. Additionally, it includes components to build a fire submarine, fire motorboat, and fire gunboat, providing a rich and engaging play experience focused on fire rescue scenarios.

The set promotes construction skills, creative thinking, imagination development, motor skills, problem-solving abilities, and role-play. All components are made from Acrylonitrile Butadiene Styrene (ABS) material and are compatible with most major brands of building blocks.

3. ASSEMBLY INSTRUCTIONS

Assembly of the WishLife City Fire Station Set is required. Please follow the detailed, step-by-step instructions provided in the included instruction manual. Each bag of building bricks corresponds to specific sections of the build, simplifying the process.

1. **Unpack Components:** Carefully open the packaging and lay out all the numbered bags of building bricks, the instruction manual, and the sticker sheet.
2. **Follow the Manual:** Refer to the instruction manual for the correct sequence of assembly. Each step illustrates which pieces are needed and how they connect.
3. **Organize Pieces:** It is recommended to open one numbered bag at a time and sort the pieces to facilitate easier building.
4. **Apply Stickers:** Once a model is complete or as indicated in the manual, carefully apply the provided stickers to add realistic details.

5. **Verify Connections:** Ensure all bricks are firmly pressed together to create stable and durable models.

4. OPERATING INSTRUCTIONS (PLAY SCENARIOS)

Once assembled, the Wishalife City Fire Station Set offers numerous opportunities for imaginative play. Children can engage in various fire rescue scenarios and develop their storytelling skills.

- **Fire Station Operations:** Use the fire station as a central command center. Imagine receiving emergency calls, sounding the fire alarm, and dispatching vehicles.
- **Heavy Cargo Transport:** Utilize the heavy transport truck and helicopter to move equipment or rescue personnel to

different locations. The helicopter's spinning rotors and opening cockpit add to the realism.

- **Water Rescue Missions:** Deploy the fire submarine, motorboat, and gunboat for water-based emergencies, simulating rescues on rivers, lakes, or the ocean.
- **Combined Operations:** Integrate all vehicles and the fire station to create complex rescue missions, fostering teamwork and strategic thinking.

5. MAINTENANCE

To ensure the longevity and cleanliness of your Wishalife City Fire Station Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the building blocks with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners. Ensure all pieces are dry before storage.
- **Storage:** Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures. The included storage bucket can be used for this purpose.
- **Handling:** Handle the assembled models with care to prevent accidental disassembly.

6. TROUBLESHOOTING

If you encounter any issues with your Wishalife City Fire Station Set, consider the following:

- **Missing Pieces:** Double-check all packaging and the play area. If pieces are genuinely missing, please contact Wishalife customer support.
- **Difficulty Fitting Pieces:** Ensure the correct pieces are being used for each step as per the instruction manual. Apply gentle, even pressure when connecting bricks.
- **Models Falling Apart:** Verify that all connections are secure and that the assembly steps have been followed precisely. Loose connections can lead to instability.

7. SPECIFICATIONS

Feature	Detail
Brand Name	Wishalife

Model Name	City Fire Station and Heavy Cargo Transport Toy Truck
Model Number	LX.A340 A346
Age Range	6 to 12 years old
