Zazu Bumba Night Light User Manual

Model: 5420067916376

INTRODUCTION

The Zazu Bumba Night Light is designed to provide comfort and a sense of security for children during the night. This unique product combines a night light with a roly-poly toy, making it both functional and engaging. Its intuitive operation and customizable light features make it an ideal companion for your child's bedtime routine.

PACKAGE CONTENTS

Please check the package to ensure all items are present:

- 1 x Zazu Bumba Night Light unit
- Rechargeable batteries (pre-installed or separate)
- 1 x USB charging cable

SETUP AND CHARGING

Before first use, it is recommended to fully charge the Zazu Bumba Night Light.

1. **Unpack:** Carefully remove the night light and all accessories from the packaging.

2. **Connect Charger:** Locate the USB charging port on the base of the Bumba unit. Connect the provided USB cable to the port and the other end to a compatible USB power adapter (not included) or a computer's USB port.
3. **Charge:** Allow the unit to charge until the charging indicator (if present) shows a full charge, or for at least 2-3 hours for the initial charge. Rechargeable batteries are included and can be charged using the supplied USB cable.

OPERATING INSTRUCTIONS

The Zazu Bumba Night Light is designed for simple and intuitive operation.

Turning On/Off

- To turn the light **on**, gently rock the Bumba unit. The light will illuminate.
- To turn the light **off**, gently rock the Bumba unit again.

Image: The Zazu Bumba Night Light in a rocking motion, demonstrating how to activate the light by tilting it.

Color Selection

The night light offers a variety of light colors to choose from:

- **Available Colors:** White, Orange, Red, Pink, Blue, or a colorful changing mode.
- To change the light color, rock the unit until the desired color appears. The light will cycle through the available colors with each rock.

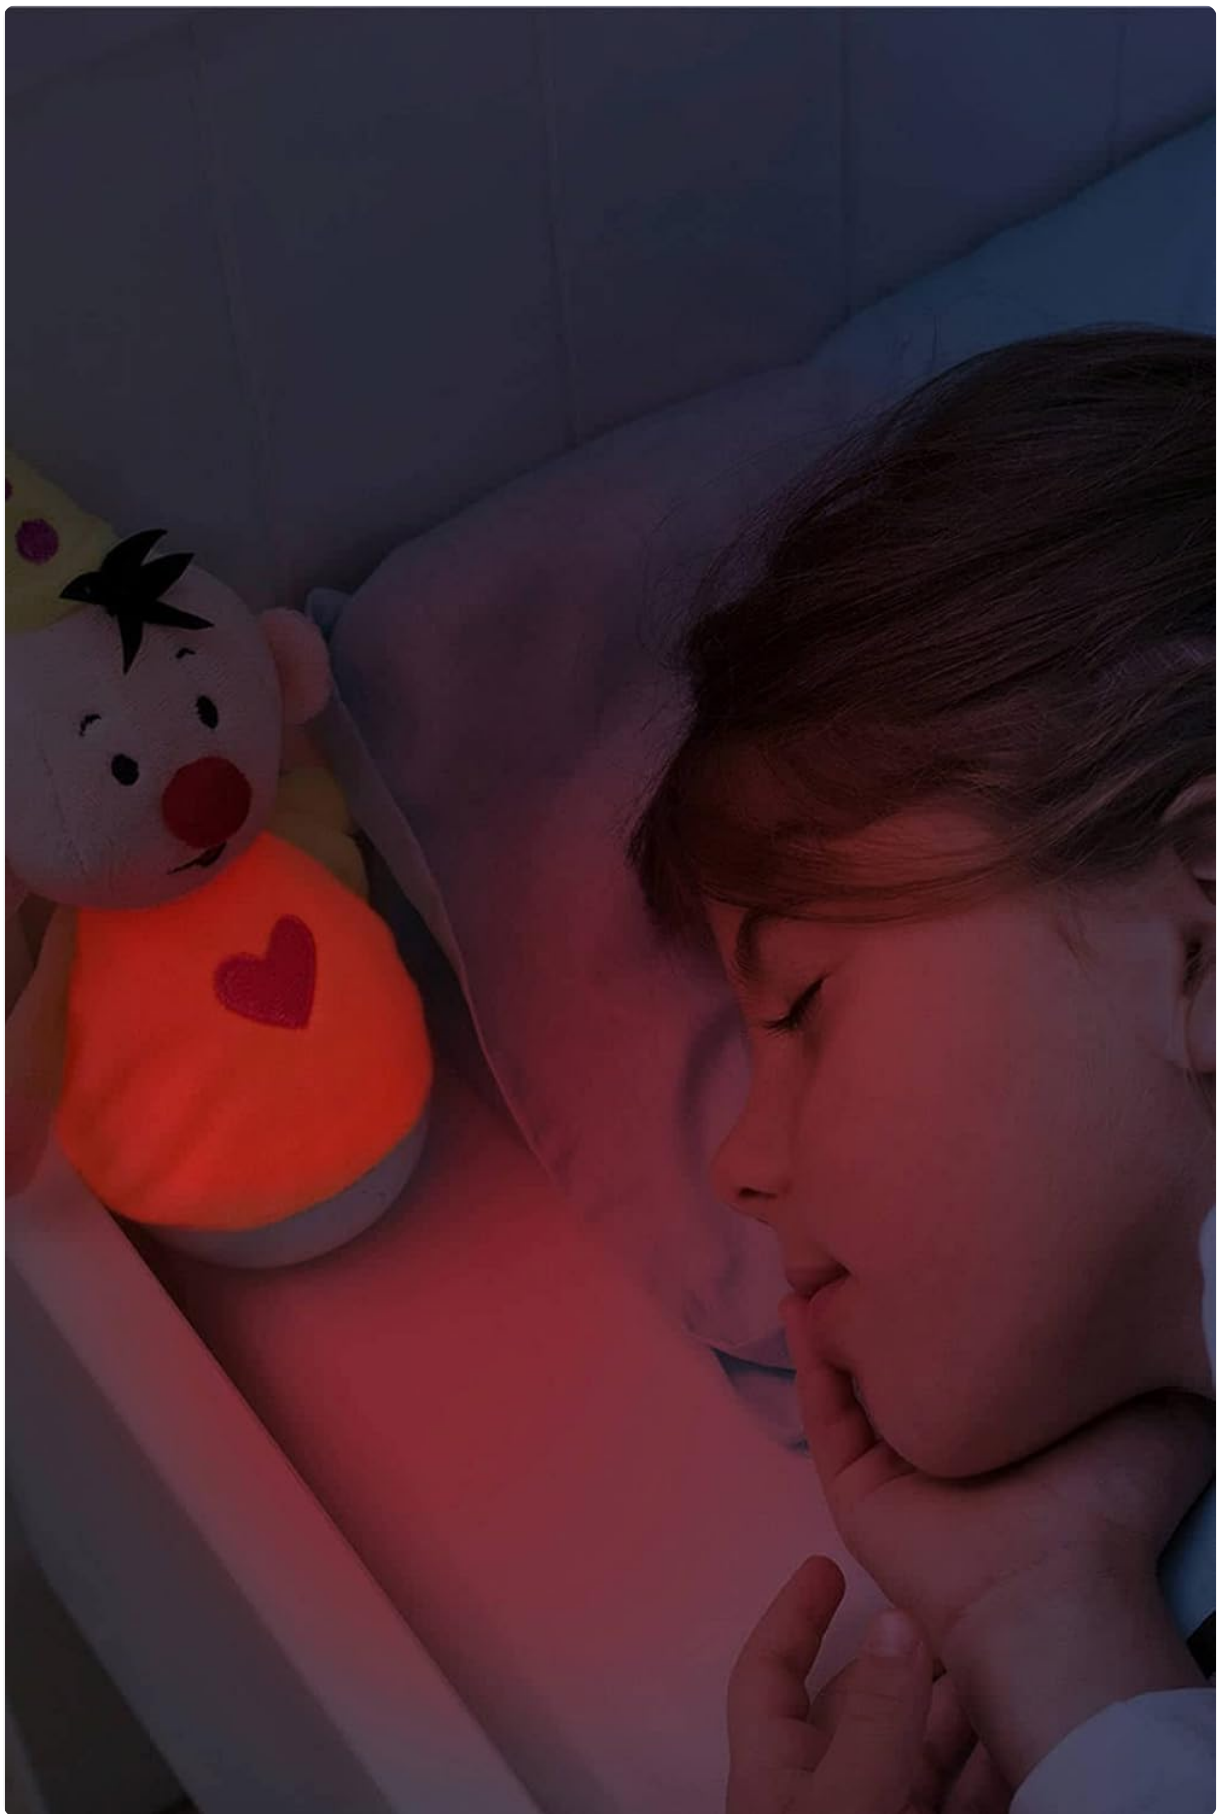

Image: The Zazu Bumba Night Light emitting a soft red glow, placed next to a child sleeping in a crib, illustrating its use as a comforting night light.

Automatic Timer

The Zazu Bumba Night Light features an automatic shut-off timer.

- The night light will automatically turn off after **30 minutes** of continuous operation to conserve battery life and ensure a dark sleeping environment for your child.

MAINTENANCE AND CARE

Proper care will ensure the longevity of your Zazu Bumba Night Light.

Cleaning the Plush Cover

- The plush cover of the Bumba unit is **removable** for cleaning.
- It can be **hand washed** with mild soap and water.
- Ensure the cover is completely dry before reattaching it to the light unit.

General Cleaning

- Wipe the plastic base with a soft, damp cloth.
- Do not immerse the electronic unit in water.
- Avoid using harsh chemicals or abrasive cleaners.

TROUBLESHOOTING

If you encounter any issues with your Zazu Bumba Night Light, please refer to the following common solutions:

Problem	Possible Cause	Solution
Light does not turn on.	Low battery or unit not sufficiently rocked.	Ensure the unit is fully charged. Gently rock the unit more firmly.
Light turns off too quickly.	Automatic timer activated.	This is normal operation; the light automatically turns off after 30 minutes. Rock the unit again to reactivate.
Cannot change light color.	Unit not responding to rocking.	Ensure the unit is charged. Try rocking it multiple times to cycle through colors.

SPECIFICATIONS
