HOOBRO BF01XJ01

HOOBRO 5-Tier Shoe Rack

MODEL: BF01XJ01

Instruction Manual

Introduction

Thank you for choosing the HOOBRO 5-Tier Shoe Rack. This manual provides essential information for the safe assembly, operation, and maintenance of your new shoe storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

Safety Information

- **Weight Capacity:** The top shelf has a maximum load capacity of 22 pounds (10 kg). Each mesh shelf can hold up to 11 pounds (5 kg). Do not exceed these limits to prevent damage or injury.
- **Assembly:** Ensure all parts are present and undamaged before assembly. Follow the assembly steps precisely.
- **Stability:** This unit is freestanding. Place it on a flat, stable surface.
- **Children:** Keep small parts away from children during assembly.

Package Contents

Verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- Top Wooden Board
- Metal Frame Components
- 5 Mesh Shelves

- Assembly Hardware (screws, Allen key)
- Adjustable Feet

Assembly Instructions

Assembly is designed to be straightforward. Please follow these steps carefully.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
2. **Assemble the Side Frames:** Attach the horizontal support bars to the vertical metal frames using the provided screws. Ensure all connections are secure but do not fully tighten yet.
3. **Install Mesh Shelves:** Slide each mesh shelf into the designated slots on the side frames. The shelves can be installed in either a flat or a slanted position. For a slanted position, align the front edge of the shelf with the lower set of holes and the back edge with the higher set.
4. **Attach Top Board:** Place the wooden top board onto the assembled frame. Secure it with the remaining screws.
5. **Final Tightening:** Once all parts are in place, carefully tighten all screws. Do not overtighten.
6. **Adjust Feet:** Adjust the leveling feet at the bottom of the unit to ensure stability on uneven floors.

Features

- **Adjustable Shelves:** The mesh shelves can be installed either flat or slanted to accommodate various shoe types, including high heels. You can also remove a shelf to create space for taller items like boots.

Adjustable

- ✓ Slant
- ✓ Flat

Flat

Slant

Image: The adjustable mesh shelves of the HOOBRO shoe rack, illustrating both flat and slanted configurations for different footwear.

- **Ample Storage:** This 5-tier unit is designed to hold approximately 16 pairs of shoes, helping to keep your entryway or closet organized.

Usage & Placement

The HOOBRO 5-Tier Shoe Rack is versatile and suitable for various locations:

- **Entryway:** Organize daily footwear and use the top surface for keys, bags, or decorative items.
- **Hallway:** Keep shoes tidy without obstructing pathways.
- **Closet:** Maximize vertical storage space for your shoe collection.
- **Dorm Room:** A compact solution for limited spaces.

Maintenance

To ensure the longevity and appearance of your shoe rack, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly clean any spills to prevent staining or damage to the wooden top.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

Troubleshooting

If you encounter any issues with your HOOBRO 5-Tier Shoe Rack, consider the following:

- **Wobbling/Instability:** Ensure the unit is placed on a level surface. Adjust the leveling feet at the bottom of the frame. Check that all screws are securely tightened.
- **Missing Parts:** Refer to the 'Package Contents' section. If parts are missing, contact customer support for assistance.

- **Difficulty Assembling:** Review the 'Assembly Instructions' carefully. Ensure you are using the correct hardware for each step. Do not force parts together.
