5.2 Battery Status

Please charge the keyboard when the power indicator flashes red, indicating a low battery level. The keyboard has a powerful 500mAh battery.

6. MAINTENANCE

The iPad case is made of soft PU and flexible TPU, which are drop-proof and scratch-resistant. To clean the case, gently wipe it with a damp cloth. Avoid harsh chemicals.

A transparent keyboard protector is included to help keep the keys clean and protected from dust and spills. This can be easily removed and cleaned.

7. TROUBLESHOOTING

- **Keyboard not connecting:** Ensure the keyboard is charged and turned on. Press the "CONNECT" button to activate Bluetooth pairing mode. On your iPad, ensure Bluetooth is enabled and select "Bluetooth Keyboard" from the available devices.
- **Keyboard not typing:** Check if the keyboard is connected via Bluetooth. If the battery indicator is flashing red, recharge the keyboard. If the keyboard has entered sleep mode, press any key to wake it up.
- **iPad screen not turning off when case is closed:** Some iPad models or settings may prevent the screen from automatically turning off. Manually lock your iPad screen before closing the case if this feature is desired.
- **Difficulty with iPad standing up with keyboard attached:** The magnetic attachment allows for flexibility. Adjust the iPad's position in the case to find a stable viewing angle. The keyboard can be detached if a different setup is preferred.
