Alcatel Go Flip V 4044V Verizon Flip Phone

USER MANUAL

Figure 1: Alcatel Go Flip V 4044V closed, front view.

Introduction

This manual provides essential information for the proper setup, operation, and maintenance of your Alcatel Go Flip V 4044V Verizon Flip Phone. Please read this guide thoroughly to ensure optimal performance and longevity of your device. The Alcatel Go Flip V 4044V is a classic flip phone designed for reliable communication on the Verizon network, featuring a durable build and long battery life.

Setup

1. Unboxing and Initial Inspection:

Carefully remove all components from the packaging. Verify that the phone, battery, and charger are present. Inspect the device for any visible damage.

2. Battery Installation:

Locate the battery compartment on the back of the phone. Gently remove the back cover. Align the

battery contacts with the terminals inside the compartment and press down until it clicks into place. Replace the back cover.

Figure 2: Rear view of the Alcatel Go Flip V 4044V, showing the battery cover.

3. SIM Card Installation:

With the battery removed, locate the SIM card slot. Insert your Verizon Nano-SIM card into the slot, ensuring the gold contacts face downwards and the notched corner aligns correctly. Reinstall the battery and back cover.

4. Charging the Battery:

Connect the charger cable to the charging port on your phone. Plug the other end into a power outlet. Allow the phone to charge completely before first use. A full charge typically takes approximately 3.5 hours.

5. Powering On/Off:

To power on, press and hold the red **End/Power** key until the screen illuminates. To power off, press and hold the same key until the power options appear, then select 'Power off'.

Operating Instructions

Figure 3: Alcatel Go Flip V 4044V open, displaying the keypad and internal screen.

1. Making and Receiving Calls:

To make a call, open the phone, dial the number using the keypad, and press the green **Call** key. To answer an incoming call, open the phone (if closed) or press the green **Call** key. To end a call, press the red **End/Power** key.

2. Navigating the Menu:

Use the directional navigation keys (up, down, left, right) around the central **OK** button to browse menu options. Press **OK** to select an item. Use the **Back** key to return to the previous screen.

3. Sending Text Messages (SMS):

From the main menu, navigate to 'Messages'. Select 'New Message'. Enter the recipient's number or select from contacts. Type your message using the alphanumeric keypad. Press **Send**.

4. Camera Usage:

Access the camera from the main menu. Use the **OK** button to take a photo. The phone features both front and rear cameras.

5. Adjusting Volume:

Use the volume keys located on the side of the phone to adjust call volume, ringtone volume, and media volume.

6. Wi-Fi Connectivity:

From the main menu, go to 'Settings' > 'Network & Internet' > 'Wi-Fi'. Turn Wi-Fi on and select your desired network. Enter the password if prompted.

Maintenance

- **Cleaning:**

Use a soft, dry, lint-free cloth to clean the phone's screen and body. Avoid using harsh chemicals or abrasive materials, which can damage the device.

- **Battery Care:**

To prolong battery life, avoid exposing the phone to extreme temperatures. Do not leave the phone

charging for extended periods after it has reached 100% capacity. If the phone will not be used for a long time, store it with a partial charge.

- Software Updates:**
Periodically check for software updates through the phone's settings menu to ensure your device has the latest features and security enhancements.

Troubleshooting

Problem	Solution
Phone does not power on	Ensure the battery is correctly installed and fully charged. Connect the charger and attempt to power on.
Cannot make or receive calls	Check if the SIM card is properly inserted. Verify that you have network signal. Contact Verizon customer support if the issue persists.
Battery drains quickly	Reduce screen brightness. Close unused applications. Limit background data usage. Consider replacing an old battery.
Screen is unresponsive	Perform a soft reset by removing and reinserting the battery. If the issue continues, contact support.

Specifications

- Model:** Alcatel Go Flip V (4044V)
- Operating System:** Android
- Display:** 1.4-inch LCD (External), Main Display (Internal)
- Resolution:** 240 x 320 pixels
- Processor:** 1.1 GHz CPU
- RAM:** 8 GB (Internal Storage)
- Connectivity:** Cellular (LTE), Wi-Fi, GPS
- Cameras:** Front, Rear
- Audio Jack:** 3.5 mm
- Battery Capacity:** 1350 mAh
- Phone Talk Time:** Up to 6.5 hours
- Charging Time:** Approximately 3.5 hours
- Dimensions:** 4.13 x 2.08 x 0.73 inches
- Weight:** 4.2 ounces (118 grams)

Warranty and Support

For warranty information and technical support, please refer to the documentation provided with your purchase or visit the official Alcatel website. Keep your proof of purchase for warranty claims. For network-specific issues, contact Verizon customer service.
