SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. This desk has a maximum weight limit of **110 lbs (50 kg)**. Exceeding this limit may result in damage to the product or personal injury. Proper handling and adherence to assembly instructions are crucial for ensuring the safety and stability of the desk.

SETUP AND ASSEMBLY

The Techni Mobili L-Shaped Desk requires assembly. It ships in two separate boxes. All necessary assembly tools are included with the product.

Before You Begin:

- Verify all parts are present by checking against the parts list in the [Installation Manual \(PDF\)](#).
- Clear a spacious area for assembly.
- Have a Phillips head screwdriver and a small hammer (optional, for pegs) ready, though all required tools are provided.

- It is recommended to have two people for assembly to ensure stability and ease of handling larger components.

Assembly Steps:

Refer to the detailed, step-by-step instructions provided in the official [Installation Manual \(PDF\)](#) for precise assembly procedures. The manual includes diagrams and specific instructions for each component.

OPERATING AND USAGE

The Techni Mobili L-Shaped Desk is designed for versatile use in a home office environment. Its L-shape optimizes corner placement, providing ample workspace while maintaining a compact footprint.

Key Usage Points:

- **Workspace:** The spacious desktop accommodates multiple monitors, laptops, and other office essentials.
- **Storage:** Utilize the two open side shelves for easy access to files, books, tablets, or decorative items, helping to keep the main desk surface clear and organized.
- **Versatility:** Suitable for various activities including drafting, gaming, general working, and writing.
- **Weight Distribution:** Ensure weight is evenly distributed across the desk surface and shelves, adhering to the 110 lbs (50 kg) overall weight limit.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Techni Mobili L-Shaped Desk.

- **Cleaning:** Wipe the desk surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the laminated finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood and laminate.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks to prevent moisture rings.
- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration over time.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

This section addresses common issues you might encounter with your L-Shaped Desk.

Problem	Possible Cause	Solution
Desk feels wobbly or unstable.	Loose fasteners or uneven floor.	Ensure all screws and bolts are securely tightened. Check if the desk is on a level surface; use furniture pads if needed to stabilize.

Problem	Possible Cause	Solution
Parts do not align during assembly.	Incorrect orientation of parts or misaligned holes.	Review the assembly manual carefully, paying close attention to part orientation and diagrams. Disassemble and re-align if necessary.
Surface scratches or minor damage.	Impact from sharp objects or abrasive cleaning.	For minor scratches, furniture repair markers or touch-up pens matching the grey woodgrain finish may be used. Prevent future damage by using desk mats or pads.
