- Charging Case
- USB-C Charging Cable
- User Manual (this document)

Image: All components of the Blaupunkt BTW 10 package, including the earbuds, charging case, and USB charging cable.

PRODUCT FEATURES

- **True Wireless Stereo (TWS):** Enjoy complete freedom from wires.
- **Touch Operation:** Intuitive touch controls for music and calls.

- **Hands-Free Calling:** Integrated microphone for clear calls.
- **Sports In-Ear Design:** Secure and comfortable fit for active use.
- **USB-C Connection:** Modern and convenient charging.
- **Bluetooth 5.0:** Stable and efficient wireless connectivity.
- **Water Resistant:** Designed to withstand splashes and sweat.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The case acts as a portable charger for your earbuds.

1. Place both earbuds into the charging case. Ensure they are correctly seated; magnetic contacts will hold them in place.
2. Connect the supplied USB-C charging cable to the USB-C port on the back of the charging case.
3. Connect the other end of the USB-C cable to a USB power adapter (not included) or a computer's USB port.
4. The indicator lights on the charging case will illuminate to show charging status. Once fully charged, the lights may change color or turn off.

2. Pairing with Your Device

The earbuds will automatically enter pairing mode when taken out of the charging case.

1. Ensure the earbuds are charged.
2. Open the charging case and remove both earbuds. They will automatically power on and attempt to pair with each other.
3. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
4. Turn on Bluetooth.

5. Search for new devices. You should see "BTW 10 WH" or similar in the list of available devices.
6. Select "BTW 10 WH" to connect. Once connected, you will hear a confirmation tone, and the earbud indicator lights may change.

Note: If pairing fails, place the earbuds back into the case, close the lid, wait a few seconds, and then try again. Ensure no other Bluetooth devices are interfering.

OPERATING THE HEADPHONES

Touch Controls

The BTW 10 headphones feature intuitive touch controls on each earbud. The exact functions may vary slightly depending on your device and application.

Action	Function
Single Tap (Left/Right Earbud)	Play/Pause Music, Answer/End Call
Double Tap (Right Earbud)	Next Track
Double Tap (Left Earbud)	Previous Track
Triple Tap (Left/Right Earbud)	Activate Voice Assistant (Siri, Google Assistant)
Long Press (Left/Right Earbud)	Reject Call

Power On/Off

- **Power On:** The earbuds will automatically power on when removed from the charging case.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your headphones.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Regularly clean the ear tips to prevent wax buildup, which can affect sound quality. You can

gently remove them and clean with a damp cloth, ensuring they are completely dry before reattaching.

- **Storage:** When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** While water resistant, avoid submerging the earbuds in water or exposing them to heavy rain. Dry them thoroughly if they get wet.

TROUBLESHOOTING

If you encounter issues with your Blaupunkt BTW 10 headphones, try the following solutions:

- **Earbuds not pairing with each other or device:**
 - Ensure both earbuds are fully charged.
 - Place both earbuds back into the charging case, close the lid, wait 5 seconds, then remove them again.
 - On your device, forget or delete "BTW 10 WH" from your Bluetooth paired devices list. Then, try the pairing process again from scratch.
 - Ensure your device's Bluetooth is enabled and within range (typically 10 meters/33 feet).
- **No sound or low volume:**
 - Check the volume level on both your connected device and the earbuds.
 - Ensure the earbuds are properly seated in your ears.
 - Clean any debris from the earbud grilles and ear tips.
 - Reconnect the earbuds to your device.
- **Charging issues:**
 - Ensure the USB-C cable is securely connected to both the case and the power source.
 - Try a different USB-C cable or power adapter.
 - Clean the charging contacts on both the earbuds and inside the case with a dry cotton swab.
