Bytech Bluetooth Barrel Speaker User Manual

Model: BYAUBS162BK

INTRODUCTION

Thank you for purchasing the Bytech Bluetooth Barrel Speaker. This manual provides essential information for setting up, operating, and maintaining your speaker to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

Figure 1: The Bytech Bluetooth Barrel Speaker shown in its retail packaging, highlighting its compact design and wireless capabilities.

SETUP

1. Unpacking

Carefully remove all components from the packaging. Ensure the following items are present:

- Bytech Bluetooth Barrel Speaker

- Charging Cable (USB)
- User Manual (this document)

2. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided USB charging cable to the speaker's charging port and the other end to a USB power adapter (not included) or a computer's USB port. The charging indicator light will illuminate during charging and turn off or change color when fully charged.

3. Powering On/Off

To power on the speaker, press and hold the Power button for approximately 3 seconds. You will hear an audible prompt indicating the speaker is on. To power off, press and hold the Power button again for 3 seconds.

OPERATING INSTRUCTIONS

1. Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth pairing mode. The Bluetooth indicator light will typically flash rapidly.
2. On your mobile device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "Bytech Barrel Speaker" (or similar name) from the list of found devices.
4. Once paired, the Bluetooth indicator light on the speaker will become solid, and you will hear a confirmation tone.
5. The speaker will automatically connect to the last paired device when powered on, if the device's Bluetooth is active and within range.

2. Audio Playback

After successful pairing, you can play audio from your connected device. Use the controls on your device or the speaker's integrated controls for playback functions.

- **Play/Pause:** Press the Play/Pause button once to toggle playback.
- **Volume Up/Down:** Press the Volume + button to increase volume, and Volume - button to decrease volume.
- **Next/Previous Track:** Press and hold the Volume + button for next track, and Volume - button for previous track (functionality may vary by device).

MAINTENANCE

1. Cleaning

Wipe the speaker's exterior with a soft, dry cloth. Do not use abrasive cleaners, waxes, or solvents as they may damage the finish. Avoid exposing the speaker to excessive moisture.

2. Storage

When not in use for extended periods, store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to charge the battery periodically (e.g., every 3 months) to maintain battery health.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on.	Battery is depleted.	Charge the speaker fully.

Problem	Possible Cause	Solution
No sound from speaker.	Volume is too low or muted. Device not paired.	Increase volume on speaker and connected device. Ensure speaker is paired correctly.
