# Wonline 36-inch Bathroom Vanity and Sink Combo Instruction Manual

Model: USBR4486/USBR4460

## 1. PRODUCT OVERVIEW

---

This manual provides detailed instructions for the assembly, installation, and maintenance of your Wonline 36-inch Bathroom Vanity and Sink Combo. This unit features a durable MDF board cabinet, a ceramic undermount sink, and ample storage space with drawers and cabinet doors. It is designed for long-lasting use in a bathroom environment. The vanity includes a high-definition mirror, a chrome faucet, and a pop-up drain, offering a complete solution for your bathroom. The cabinet is constructed from eco-friendly MDF wood, providing resistance to humidity and corrosion.

## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings and instructions before beginning assembly or use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully.
- Keep electrical components (if any) away from water.
- Do not overload the cabinet or drawers.
- Use appropriate safety gear, such as gloves and eye protection, when handling sharp objects or heavy components during assembly.
- Ensure the vanity is securely anchored to the wall to prevent tipping, especially if children are present.

## 3. PACKAGE CONTENTS

---

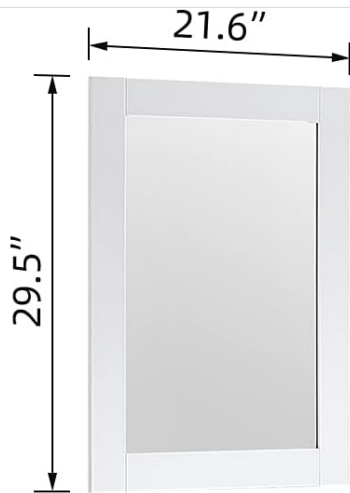

Your Wonline Bathroom Vanity and Sink Combo is shipped in two separate packages. Please verify that all components are present and undamaged before beginning assembly.

### Package One:

- 1 x Vanity Cabinet
- 1 x Mirror
- 1 x Installation Instruction Manual

### Package Two:

- 1 x Ceramic Sink
- 1 x Faucet
- 1 x Pop Up Drain
- Other accessories (hardware, etc.)

## 4. ASSEMBLY AND INSTALLATION

Assembly is required for this product. It is recommended that two people assemble the vanity. Please refer to the included

installation instruction manual for detailed step-by-step diagrams and ensure all parts are correctly oriented.

## 4.1. Assembly Video Guide

For a visual guide on assembling the vanity base and installing the cabinet doors, please watch the official installation video below:

Your browser does not support the video tag.

Video 4.1: Official Wonline Bathroom Vanity Installation Video (Duration: 2:00).

## 4.2. Key Assembly Steps (Refer to Video for Details)

1. **Unpacking and Part Identification:** Carefully unpack all components and lay them out. Identify each part using the provided diagrams in the printed manual.
2. **Drawer Slide Preparation:** Separate the drawer slides as shown in the video (0:08).
3. **Cabinet Base Assembly (Steps 1 & 2 in video):** Assemble the side panels and internal dividers of the cabinet using the provided dowels, cam locks, and screws. Ensure all connections are secure.
4. **Hinge Installation (Step 3 in video):** Attach the hinges to the cabinet doors and then to the main cabinet structure.
5. **Drawer Assembly (Step 4 in video):** Assemble the individual drawer boxes and attach the remaining drawer slides.
6. **Drawer Installation (Step 5 in video):** Insert the assembled drawers into their respective slides within the cabinet.
7. **Handle Installation (Step 5 in video):** Attach the handles to the cabinet doors and drawers.
8. **Wall Anchoring (Step 6 in video):** Secure the vanity to the bathroom wall using the provided wall anchors and screws to prevent accidental tipping.
9. **Sink and Faucet Installation:** Place the ceramic sink onto the vanity cabinet. Install the faucet and pop-up drain according to their individual instructions. Connect plumbing as required.
10. **Mirror Installation:** Mount the mirror securely on the wall above the vanity.

## 4.3. Adjusting Cabinet Doors

If the cabinet doors are not aligned correctly after installation, you can adjust them using the screws on the hinges:

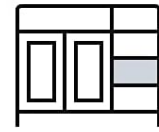

- **Vertical Adjustment (Up/Down):** Adjust the screws to move the door up or down (0:24 in video).
- **Depth Adjustment (Forward/Backward):** Adjust the screws to move the door forward or backward (0:27 in video).
- **Horizontal Adjustment (Left/Right):** Adjust the screws to move the door left or right (0:30 in video).

## 5. OPERATING INSTRUCTIONS

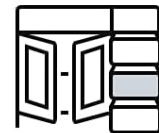

---

Your Wonline Bathroom Vanity is designed for ease of use and functionality.

- **Cabinet Doors:** The cabinet features two doors that open to reveal two tiers of storage space.
- **Drawers:** The vanity includes multiple drawers for organizing smaller items. The superior stainless steel rails ensure smooth operation.
- **Sink and Faucet:** The ceramic undermount sink is designed for daily washing, and the chrome faucet provides a stable and smooth water flow.

## 6. MAINTENANCE

---

Proper care and maintenance will ensure the longevity and appearance of your Wonline Bathroom Vanity.

- **Cleaning the Cabinet:** Wipe the MDF board surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Sink:** The ceramic vessel sink has a smooth surface that is easy to clean. Use mild soap and water to remove stains and maintain its appearance.
- **Cleaning the Faucet:** Clean the chrome faucet with a soft cloth and a non-abrasive cleaner specifically designed for chrome finishes.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Moisture Control:** While the MDF board is designed to resist moisture, it is best to wipe up any standing water immediately to prevent long-term damage.

## 7. TROUBLESHOOTING

---

If you encounter issues during assembly or use, consider the following common solutions:

- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, please contact Wonline customer service immediately for assistance.
- **Assembly Difficulties:** Review the assembly video and the printed instruction manual carefully. Ensure all components are oriented correctly and all screws and cam locks are tightened. Sometimes, pre-drilled holes may require slight adjustment or re-alignment.
- **Cabinet Doors Not Aligning:** Refer to Section 4.3 for instructions on how to adjust the cabinet door hinges.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and free of obstructions. Ensure the drawer boxes are assembled squarely.

For further assistance, please contact Wonline customer support.
