YUSTDA AC Adapter Instruction Manual for Philips Norelco Shavers

Models: HQ7300, HQ7310, HQ7320

INTRODUCTION

This manual provides essential instructions for the safe and effective use of your YUSTDA AC Adapter, designed as a replacement power supply for Philips Norelco Electric Shavers, specifically models HQ7300, HQ7310, and HQ7320. Please read this manual thoroughly before use and retain it for future reference.

PRODUCT OVERVIEW

The YUSTDA AC Adapter is engineered to provide reliable power to your compatible Philips Norelco electric shaver. It features a robust design with multiple safety protections to ensure stable and secure operation.

Key Features:

- **Worldwide Compatibility:** Supports input voltage from 100-240VAC, 50/60Hz, suitable for international use.
- **Guaranteed Compatibility:** 100% compatible with Philips Norelco Electric Shaver models HQ7300, HQ7310, HQ7320.
- **Advanced Safety Features:** Includes over current protection, total power protection, over voltage protection, and short circuit protection.
- **High-Quality Construction:** Manufactured with durable materials and certified by FCC, CE, and RoHS standards.
- **Durable & Compact Design:** Engineered for longevity and portability, ideal for home, office, and travel.

High Quality Power Cable Design

SETUP

1. **Inspect the Adapter:** Before first use, visually inspect the AC adapter and its cable for any signs of damage. Do not use if damaged.
2. **Connect to Shaver:** Insert the small connector end of the AC adapter cable firmly into the charging port of your Philips Norelco Electric Shaver (HQ7300, HQ7310, or HQ7320).
3. **Connect to Power Outlet:** Plug the AC adapter into a standard electrical wall outlet (100-240VAC, 50/60Hz). Ensure the outlet is easily accessible.
4. **Verify Connection:** Confirm that the shaver's charging indicator (if present) illuminates, indicating a successful connection and charging process.

OPERATING INSTRUCTIONS

Once properly set up, the YUSTDA AC Adapter will automatically begin charging your Philips Norelco electric shaver. The charging duration will depend on the shaver's battery level and model. Refer to your shaver's original manual for specific charging times.

- Always ensure the adapter is securely connected to both the shaver and the power outlet during charging.
- Do not cover the adapter during operation to allow for proper ventilation.
- Disconnect the adapter from the power outlet when not in use for extended periods.

MAINTENANCE

- **Cleaning:** Disconnect the adapter from the power source and the shaver before cleaning. Use a soft, dry cloth to wipe the adapter. Do not use liquid cleaners or abrasive materials.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and moisture when not in use. Avoid wrapping the cable too tightly around the adapter to prevent damage.

- **Cable Care:** Do not bend, twist, or pull the cable excessively. Avoid placing heavy objects on the cable.

TROUBLESHOOTING

Problem: Shaver is not charging.

- **Solution 1:** Ensure the adapter is securely plugged into both the shaver and the wall outlet.
- **Solution 2:** Check if the wall outlet is functional by plugging in another device.
- **Solution 3:** Inspect the adapter cable and connectors for any visible damage. If damaged, discontinue use and replace the adapter.
- **Solution 4:** Confirm that your shaver model (HQ7300, HQ7310, HQ7320) is compatible with this adapter.

Problem: Adapter feels warm during use.

- **Solution:** It is normal for power adapters to become slightly warm during operation. If the adapter becomes excessively hot, disconnect it immediately and contact support. Ensure it is not covered and has adequate ventilation.

SPECIFICATIONS

- **Brand:** YUSTDA
- **Model (Adapter):** TNS30W-XY (as seen on product label)
- **Compatible Shaver Models:** Philips Norelco HQ7300, HQ7310, HQ7320
- **Input:** 100-240VAC, 50/60Hz, 1.5A
- **Output:** 15V, 0.3A
- **Certifications:** FCC, CE, RoHS
- **Safety Features:** Over Current Protection, Total Power Protection, Over Voltage Protection, Short Circuit Protection, Over Temperature Protection.

WARRANTY INFORMATION

Specific warranty details for this YUSTDA AC Adapter may vary. Please refer to the product packaging or the seller's terms and conditions at the time of purchase for comprehensive warranty information.
