SETUP AND ASSEMBLY

The EUGAD Bathroom Cabinet is designed for quick and easy assembly. Please follow the included illustrated instructions carefully. Ensure all components are present before beginning assembly.

Components Checklist:

- Cabinet panels (top, bottom, sides, back)
- Doors (2 units)
- Adjustable shelves
- Hardware (screws, dowels, hinges, handles, magnetic catches)
- Anti-tip device

Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all parts and compare them with the component list in the manual. Report any missing or damaged parts immediately.
2. **Prepare Workspace:** Assemble the cabinet on a clean, flat, and soft surface to prevent scratches.
3. **Assemble Frame:** Follow the illustrated steps to connect the side panels, top, and bottom panels.
4. **Install Shelves:** Insert the adjustable shelf supports into the desired holes. The shelves can be adjusted 6 cm up or down to accommodate items of different sizes.

Figure 4: Illustration demonstrating the adjustability of the internal shelves, allowing for flexible storage configurations.

5. **Attach Doors:** Secure the hinges to the doors and then attach the doors to the cabinet frame. Ensure the magnetic catches align for smooth closing. The doors open up to 180 degrees.

6. **Install Handles:** Attach the chrome handles to the doors.

7. **Install Anti-Tip Device:** For safety, it is highly recommended to secure the cabinet to a wall using the provided anti-tip device. This prevents accidental tipping, especially in households with children or pets.

Figure 5: Visual guide for installing the anti-tip device, crucial for ensuring the stability and safety of the cabinet.

Important: While assembly is straightforward, pay close attention to the orientation of parts as indicated in the diagrams to avoid errors.

OPERATING INSTRUCTIONS

The EUGAD Bathroom Cabinet is designed for straightforward use. Its primary function is to provide organized storage for various household items.

Storage Utilization:

- **Top Surface:** Use the top surface for decorative items, frequently accessed toiletries, or small plants.
- **Open Compartment:** The open compartment (H: 15cm/17cm) is ideal for items you wish to display or access easily, such as towels, toilet paper, or small baskets.
- **Closed Compartment:** The two doors conceal a spacious compartment with an adjustable shelf. This area is perfect for storing toiletries, cleaning supplies, or other items you prefer to keep out of

sight and protected from moisture.

Figure 6: Key features of the cabinet, including the magnetic door closure for secure storage, durable metal hinges, ergonomic metal handles, and the easy-to-clean waterproof surface.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your EUGAD Bathroom Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish. The surface is waterproof and easy to clean.
- **Moisture:** While the cabinet has a waterproof surface, it is advisable to wipe away any standing water immediately to prevent long-term moisture damage, especially in humid environments like bathrooms.
- **Hardware:** Periodically check all screws and fittings to ensure they are tight. Retighten if necessary to maintain stability.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

TROUBLESHOOTING

If you encounter any issues with your EUGAD Bathroom Cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Doors do not close properly or are misaligned.	Loose hinges or incorrect hinge adjustment.	Tighten hinge screws. Adjust hinge screws to align doors. Ensure magnetic catches are properly installed and aligned.
Cabinet feels wobbly or unstable.	Loose assembly screws or uneven floor.	Check and tighten all assembly screws. Ensure the cabinet is placed on a level surface. Utilize the anti-tip device to secure it to a wall.
Shelf does not fit or is difficult to adjust.	Shelf supports are not fully inserted or are in incorrect positions.	Ensure shelf supports are fully seated in the holes. Verify that the shelf is oriented correctly.
Surface scratches or minor damage.	Impact during assembly or use.	For minor scratches, a furniture repair pen or touch-up paint matching the white finish may be used.

WARRANTY AND SUPPORT

Specific warranty information for the EUGAD Freestanding Bathroom Cabinet (Model 0129WY) is not provided in the product details. For warranty claims or technical support, please contact EUGAD customer service directly through their official website or the retailer from whom the product was purchased.
