2. PRODUCT FEATURES

- **Full Audio Experience:** Equipped with powerful 40mm neodymium drivers, these headphones deliver

rich, full bass, clear mids, and pristine highs, ensuring distortion-free sound at any volume.

- **Active Noise Cancellation (ANC):** Reduce ambient noise by up to 30 dB, providing a quiet listening environment.
- **Ambient Noise Mode:** Allows external sounds to pass through, keeping you aware of your surroundings while enjoying your audio.
- **Seamless Bluetooth 5.0 Pairing:** Ensures a simple, strong, and crystal-clear wireless connection.
- **Easy Touch Controls:** Convenient on-board touch controls on the earcup for adjusting volume, skipping tracks, answering calls, and accessing voice assistants.
- **Extended Play Time:** Enjoy up to 30 hours of continuous playback on a single charge.
- **Ergonomic and Portable Design:** Features an adjustable headband, rotatable earcups for flat storage, and soft, comfortable earpads made of memory foam.
- **Multipoint Connectivity:** Connect to two separate devices simultaneously for seamless switching.

3. WHAT'S IN THE BOX

Your Brookstone AirPhones Pro package includes the following items:

- Brookstone AirPhones Pro Wireless Over-Ear Headphones
- USB-C Charging Cable
- 3.5mm Audio Cable
- Airline Adapter
- Protective Carrying Case

PORTABLE DESIGN

Lightweight storage case ensures long lasting protection for everlasting listening.

4. SETUP

4.1 Charging Your Headphones

Before first use, fully charge your AirPhones Pro headphones.

1. Connect the USB-C charging cable to the charging port on the headphones.
2. Connect the other end of the USB-C cable to a compatible USB power adapter (not included) or a computer's USB port.
3. The LED indicator on the headphones will show charging status (e.g., red for charging, blue/off for fully charged).

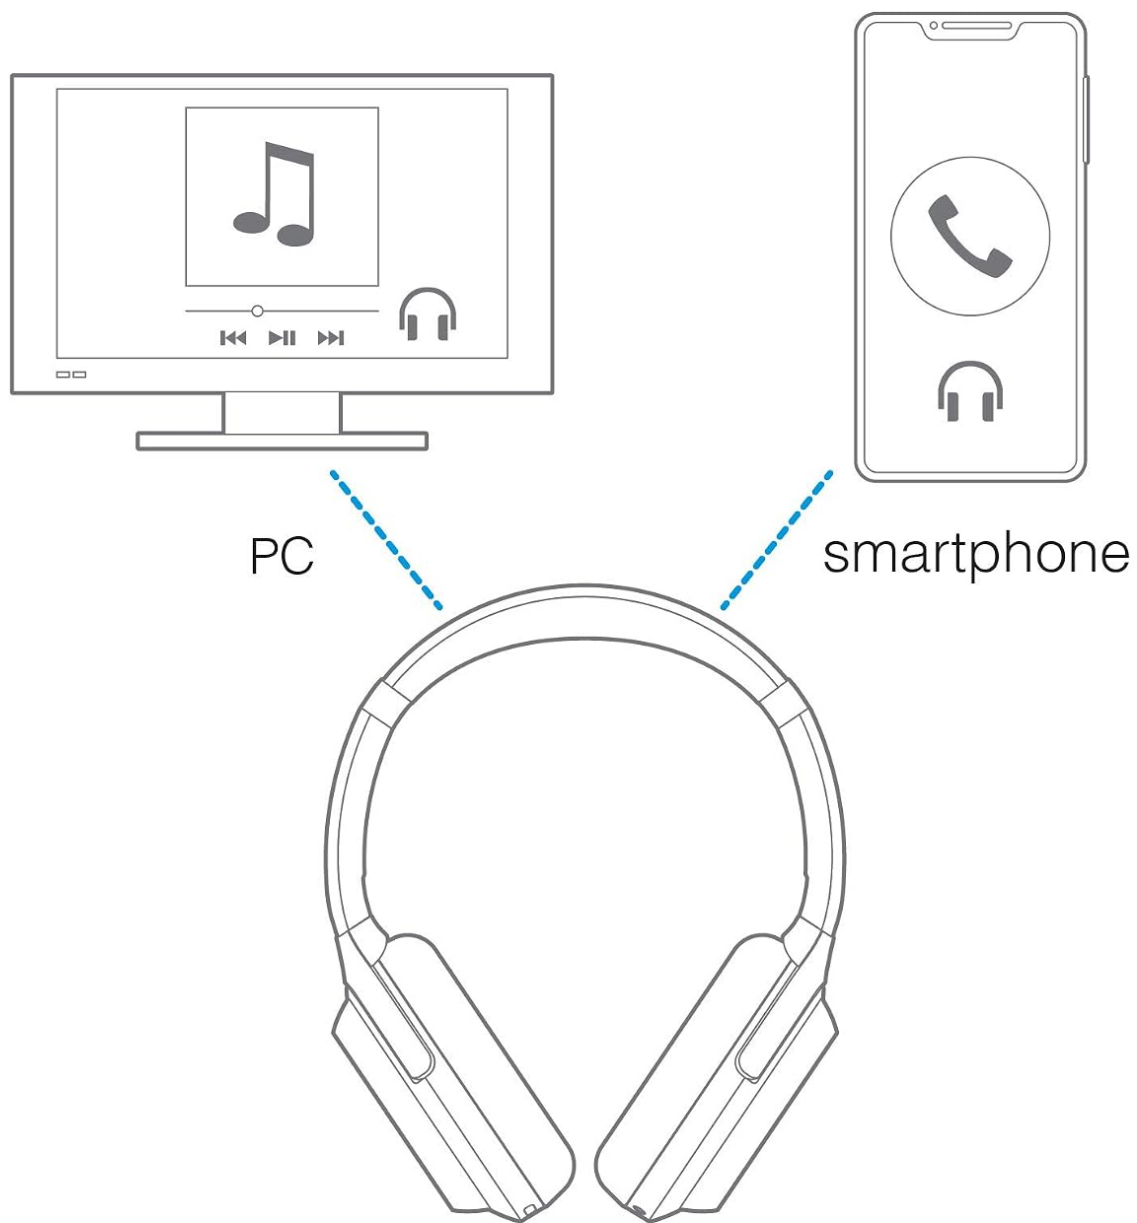

4. A full charge provides up to 30 hours of playtime.

4.2 Bluetooth Pairing

Follow these steps to pair your headphones with a Bluetooth-enabled device:

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Brookstone AirPhones Pro" from the list of found devices.
5. Once connected, the LED indicator will turn solid blue.

For multipoint connectivity, after pairing with the first device, disable Bluetooth on that device. Put the headphones back into pairing mode and connect to the second device. Then, re-enable Bluetooth on the first device. The headphones should now be connected to both devices simultaneously.

MULTIPOINT CONNECTIVITY

Seamless connection is allowed on two separate devices simultaneously.

Image: A diagram illustrating the multipoint connectivity feature, allowing the headphones to connect to two devices like a PC and a smartphone simultaneously.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- To power on: Press and hold the Power button for 2-3 seconds.
- To power off: Press and hold the Power button for 3-4 seconds.

5.2 Touch Controls

The right earcup features intuitive touch controls for easy management of your audio and calls.

- **Volume Up/Down:** Swipe up or down on the earcup.

- **Next/Previous Track:** Swipe forward or backward on the earcup.
- **Play/Pause:** Double-tap the center of the earcup.
- **Answer/End Call:** Double-tap the center of the earcup during an incoming call.
- **Activate Voice Assistant:** Triple-tap the center of the earcup.

EASY TOUCH CONTROL

Efficient earcup controls let you change the track, control the volume and answer phone calls effortlessly.

5.3 Noise Cancellation Modes

Your AirPods Pro offer versatile noise control options:

- **Active Noise Cancellation (ANC):** Engages to significantly reduce external ambient noise, ideal for travel or noisy environments.
- **Ambient Noise Mode:** Allows external sounds to pass through, keeping you aware of your surroundings while enjoying your audio.
- **Conversation Mode:** Temporarily lowers music volume and amplifies external voices when you place your palm over the right earcup, enabling quick conversations without removing headphones.

6. MAINTENANCE

Proper care will extend the life of your headphones:

- Clean the earcups and headband regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or liquids.
- Store the headphones in their protective carrying case when not in use to prevent damage. The foldable design makes them compact for storage.
- Do not attempt to disassemble or repair the headphones yourself.

ERGONOMIC DESIGN

**ADJUSTABLE
HEADBAND**
One size fits all.

7. TROUBLESHOOTING

If you encounter issues with your Brookstone AirPhones Pro, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Headphones do not power on.	Low battery.	Charge the headphones fully using the provided USB-C cable.
Cannot pair with device.	Headphones not in pairing mode; device Bluetooth off; too far from device.	Ensure headphones are in pairing mode (flashing blue/red LED). Turn Bluetooth off and on on your device. Move headphones closer to the device.

Problem	Possible Cause	Solution
No sound or low volume.	Volume too low on headphones or device; incorrect audio source; headphones not connected.	Increase volume on both headphones and connected device. Ensure headphones are properly paired. Check if the correct audio output is selected on your device.
Sound crackling or distortion.	Interference; low battery; device too far.	Move away from other wireless devices. Charge the headphones. Reduce distance between headphones and device.
