JONATHAN Y JYL9073A

JONATHAN Y JYL9073A Cloud Pendant Light Instruction Manual

Model: JYL9073A

1. PRODUCT OVERVIEW

The JONATHAN Y JYL9073A Cloud Pendant Light is a modern and contemporary ceiling fixture designed to provide ambient lighting. It features a unique cloud-like design with a soft, puffy silk shade that diffuses light from two integrated LED bulbs. This pendant light offers adjustable height for versatile placement and is suitable for various indoor spaces such as bedrooms, living rooms, and dining rooms.

2. SAFETY INFORMATION

- **Electrical Safety:** Always turn off the main power supply at the circuit breaker before installing, cleaning, or servicing the fixture.
- **Professional Installation:** Professional installation by a qualified electrician is recommended for all ceiling light fixtures to ensure proper wiring and safety.
- **Voltage:** This fixture is designed for 120-volt electrical systems.
- **Certifications:** All JONATHAN Y lighting is ETL Listed and meets UL standards for safety and quality.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
- **Indoor Use Only:** This product is intended for indoor use only and is not water resistant.

3. PACKAGE CONTENTS

Verify that all components are present before beginning installation. If any parts are missing or damaged, do not attempt to assemble or install the fixture. Contact customer support for assistance.

- Cloud Pendant Light Fixture (1)
- Integrated LED Bulbs (2)
- Mounting Hardware (Canopy, mounting plate, screws, wire nuts)
- Instruction Manual (1)

4. SETUP AND INSTALLATION

This fixture requires assembly and hardwired installation. It is recommended to have a qualified electrician perform the installation.

4.1 Pre-Installation

1. **Turn off Power:** Locate the circuit breaker that supplies power to the installation location and turn it off.
2. **Unpack Contents:** Carefully remove all components from the packaging and lay them out on a clean, soft surface to prevent scratches.
3. **Review Instructions:** Read through these instructions completely before beginning installation.

4.2 Mounting the Fixture

1. **Attach Mounting Plate:** Secure the mounting plate to the junction box in the ceiling using the provided screws. Ensure it is firmly attached.
2. **Adjust Height:** The pendant's height is adjustable up to 70 inches. Determine the desired hanging length and adjust the cord accordingly. The fixture is suitable for ceilings up to twelve feet high, including sloped ceilings.
3. **Wire Connections:** Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground) using the provided wire nuts. Ensure all connections are secure.
4. **Secure Canopy:** Carefully push the canopy up to the ceiling, covering the junction box and mounting plate. Secure it in place with the canopy screws.

4.3 Post-Installation

1. **Restore Power:** Once installation is complete and all connections are secure, restore power at the circuit breaker.
2. **Test Fixture:** Turn on the light switch to ensure the fixture is functioning correctly.

5. OPERATING INSTRUCTIONS

The JONATHAN Y JYL9073A Cloud Pendant Light is operated via a standard wall switch (On/Off) or a compatible dimmer switch.

- **Turning On/Off:** Use the wall switch connected to the fixture to turn the light on or off.

- **Dimming Function:** This fixture is dimmable. If connected to an LED-compatible dimmer switch, you can adjust the brightness of the light. Ensure your dimmer switch is compatible with LED lighting.
- **Control Method:** While the product specifications mention 'App' control, the primary control methods are via a push button or on/off switch. Consult your smart home system's instructions for integration if using a smart dimmer.

6. MAINTENANCE

6.1 Cleaning

- **Power Off:** Always turn off the power to the fixture before cleaning.
- **Shade Cleaning:** The silk shade can be gently dusted with a soft, dry cloth or a feather duster. Avoid using liquid cleaners or abrasive materials, as they may damage the fabric.
- **Fixture Cleaning:** Wipe the metal components with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.

6.2 Bulb Replacement

The JYL9073A uses integrated LED bulbs, which are designed for long life and typically do not require frequent replacement. If a bulb fails, it may indicate a need for professional servicing or replacement of the entire fixture, as integrated LEDs are not user-replaceable in the same way as traditional bulbs. Contact customer support for guidance.

7. TROUBLESHOOTING

If you encounter issues with your pendant light, refer to the following troubleshooting guide:

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture Loose wire connection Faulty switch	Check circuit breaker and wall switch. Turn off power and check wire connections. Test switch with another device or replace.
Light flickers or dims unexpectedly	Incompatible dimmer switch Loose wire connection Voltage fluctuations	Ensure dimmer is LED-compatible. Turn off power and check wire connections. Consult an electrician if voltage issues persist.
Shade appears wrinkled	Packaging or shipping conditions	Gently smooth the fabric. Minor wrinkles are common with silk materials.

If the problem persists after attempting these solutions, contact JONATHAN Y customer support.

8. SPECIFICATIONS

Detailed technical specifications for the JONATHAN Y JYL9073A Cloud Pendant Light:

Brand: JONATHAN Y

Model Number: JYL9073A
