

Portronics iLumi

Portronics iLUMI Portable LED Lamp with Bluetooth Speaker User Manual

Model: iLumi

INTRODUCTION

Thank you for purchasing the Portronics iLUMI Portable LED Lamp with Bluetooth Speaker. This device combines a versatile LED lamp with a powerful Bluetooth speaker, offering adjustable brightness, multiple color modes, and hands-free calling. Please read this manual carefully to ensure proper use and to maximize your experience with the product.

SAFETY INFORMATION

- Do not expose the device to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble or attempt to repair the device yourself. This will void the warranty.
- Keep out of reach of children.
- Use only the provided charging cable or a certified 5V USB charger.

PACKAGE CONTENTS

The Portronics iLUMI package includes:

- 1N Portronics iLUMI Lamp
- 1N Charging Cable
- 1N User Manual

PRODUCT OVERVIEW

Familiarize yourself with the components of your Portronics iLUMI.

Handsfree Calling

In-built Mic.

Image: Diagram illustrating the Touch Mesh (Built-in 3W Speaker), DC 5V Charging Port, Power On/Off Button, Charging LED Indicator, and Non-Slip Design. Also shows Music Play Time up to 5 hours, Charging Time up to 3 hours, Bluetooth 4.2, and a 2000mAh Rechargeable Battery.

- **Touch Mesh:** Located at the top, this acts as the speaker and touch control for light functions.
- **Power On/Off Button:** Located at the base for turning the device on or off.
- **DC 5V Charging Port:** Micro USB port for charging the device.
- **Charging LED Indicator:** Indicates charging status.
- **Built-in Microphone:** For hands-free calling.
- **Non-Slip Design:** Base for stability.

SETUP

1. **Initial Charge:** Before first use, fully charge the iLUMI lamp. Connect the provided USB charging cable to the DC 5V charging port on the lamp and the other end to a USB power adapter (not included) or a computer's USB port. The charging LED indicator will show charging status. A full charge takes approximately 3 hours.

2. **Power On:** Press and hold the Power On/Off button located at the base of the lamp to turn it on.

OPERATING INSTRUCTIONS

1. Bluetooth Pairing

The iLUMI features Bluetooth 4.2 for wireless audio streaming.

Image: A person holding a smartphone, with Bluetooth 4.2 icon and musical notes floating towards the Portronics iLUMI lamp, indicating Bluetooth music playback.

1. Ensure the iLUMI lamp is powered on.
2. On your mobile device, enable Bluetooth and search for available devices.
3. Select "Portronics iLUMI" from the list to pair.
4. Once paired, you can play music from your device through the iLUMI speaker.

2. Light Control

The lamp offers adjustable brightness and multiple color options via touch control on the mesh top.

Adjusting Brightness (White Light)

Image: A hand touching the speaker mesh of the iLUMI lamp. Three smaller images show the lamp emitting Low Light, Medium Light, and High Light, demonstrating the 3 brightness levels.

- Lightly tap the mesh top to cycle through 3 brightness levels: Low, Medium, and High.

Changing LED Colors

LED Light with 3 Brightness Levels

To increase lamp brightness, touch the speaker mesh until desired brightness is achieved.

Low Light

Medium Light

High Light

Image: A hand touching the speaker mesh of the iLUMI lamp. Five smaller images show the lamp emitting different colors: blue, pink, green, light blue, and purple, illustrating the color-changing LED feature.

- Press and hold the mesh top for a few seconds to switch from white light mode to color-changing mode.
- Once in color-changing mode, tap the mesh top to cycle through various static colors.
- There is also an option for the LED lights to flash to the beat of the music.

3. Hands-Free Calling

The built-in microphone allows for hands-free phone calls when connected via Bluetooth.

Suitable for Variety of Occasions

Image: A smartphone displaying an incoming call notification next to the iLUMI lamp, with an icon representing a microphone and sound waves, signifying hands-free calling.

- When an incoming call is received while your phone is paired, the lamp will announce the call.
- Tap the mesh top to answer the call.
- Tap again to end the call.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surface of the lamp. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in active use.

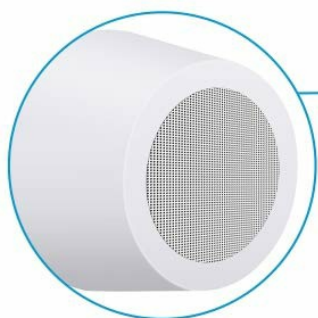

TROUBLESHOOTING

Problem	Possible Cause	Solution
Device does not power on.	Low battery.	Charge the device for at least 3 hours.
Cannot pair via Bluetooth.	Bluetooth is off on your device; iLUMI is not in pairing mode; too far from iLUMI.	Ensure Bluetooth is enabled on your phone. Restart iLUMI. Move closer to the lamp.
No sound from speaker.	Volume too low; device not paired; audio source paused.	Increase volume on both iLUMI and your paired device. Re-pair Bluetooth. Check audio playback on your device.
Light functions not responding.	Touch sensor issue; device malfunction.	Ensure you are tapping the mesh top correctly. Restart the device. If problem persists, contact support.
Battery drains quickly.	High brightness/volume usage; aging battery.	Reduce brightness or volume. Ensure full charge cycles. Battery life naturally decreases over time.
