Sluban M38-B0767 Girls Dream Limo Building Set Instruction Manual

Model: M38-B0767

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sluban M38-B0767 Girls Dream Limo building set. This set contains 204 building blocks designed for creative construction and imaginative play. Please read all instructions carefully before beginning assembly.

2. Safety Information

WARNING: This product contains small pieces and is not suitable for children under 3 years of age due to a potential choking hazard. Adult supervision is recommended during assembly and play for younger children within the recommended age range of 36 months to 6 years.

3. Setup and Assembly

The Sluban M38-B0767 set is a construction kit designed for assembly. Follow the step-by-step diagrams provided in the separate assembly guide included in the product packaging. Ensure all 204 pieces are present before starting.

- **Unpack:** Carefully remove all components from the packaging.
- **Sort:** Organize the building blocks by color and shape to facilitate easier assembly.
- **Follow Instructions:** Refer to the detailed pictorial instructions for each step of the building process. Connect pieces firmly to ensure stability.

main figures are positioned near the rear of the vehicle, and additional decorative pieces are visible.

4. Operating (Play)

Once assembled, the Girls Dream Limo building set is ready for imaginative play. The completed model is designed for interactive storytelling and creative scenarios.

- **Creative Play:** Encourage children to create their own stories and adventures with the limousine and figures.
- **Compatibility:** Sluban building blocks are designed to be fully compatible with other major building block brands, allowing for expanded play possibilities.
- **Movement:** The wheels on the limousine allow for manual movement across flat surfaces.

5. Maintenance

Proper care will ensure the longevity of your building set.

- **Cleaning:** To clean the building blocks, gently wipe them with a damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the building blocks and assembled model in a cool, dry place away from direct sunlight to prevent discoloration or damage. The set features easy storage design.
- **Disassembly:** If disassembling the model, store all pieces in a container to prevent loss.

6. Troubleshooting

If you encounter any issues during assembly or play, refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented and aligned. Apply firm, even pressure. Some blocks may require a slightly stronger push to connect securely.
- **Model Instability:** Review the assembly steps to ensure all connections are firm and correct. Incorrectly placed blocks can affect the overall stability of the model.
- **Figures Not Fitting:** Some small parts, such as hands or hair on figures, may require careful placement. Ensure they are aligned with the connection points.
