Yaheetech B07ZWPBBBT

Product Manual: Yaheetech Convertible Sofa Bed

Model: B07ZWPBBBT

Brand: Yaheetech

INTRODUCTION

The Yaheetech Convertible Sofa Bed is a versatile and modern furniture piece designed for small spaces. It easily transforms between a comfortable sofa, a relaxed lounger with a 140-degree reclined back, and a flat platform bed. This 3-in-1 folding sofa bed is perfect for modern-day room styles, ideal for small apartments, studios, offices, dorms, condos, cramped living rooms, and even RVs.

Key features include a foldable center console with two cup holders, three convertible modes (sofa, lounger, bed), sturdy construction with an engineered wood frame and chrome-finished metal legs, and a maximum weight capacity of 772 lbs. Its easy assembly ensures a quick setup process.

SETUP AND ASSEMBLY

Assembling your Yaheetech Convertible Sofa Bed is designed to be quick and straightforward. All necessary parts and tools are included and can be found conveniently stored within hidden zippered compartments on the back of the seat bases.

- Unpack Components:** Carefully remove all components from the packaging. Locate the hidden zippered compartments on the underside of each seat base and retrieve the legs, hardware, and any additional accessories (like armrests/pillows and cup holder).
- Attach Legs:** Securely attach the chrome-plated metal legs to the designated points on the sofa frame using the provided hardware. Ensure all connections are tightened for stability.
- Connect Sections:** Align and connect the two main sections of the sofa bed.
- Fix the Back:** Adjust and secure the backrest into the upright sofa position.
- Place Armrests/Pillows:** Position the removable armrests/throw pillows as desired.

For detailed visual instructions and a complete list of parts, please refer to the official Installation Manual:

OPERATING INSTRUCTIONS

The Yaheetech Convertible Sofa Bed offers three versatile modes to suit your needs, easily adjustable with a simple folding mechanism:

- **Sofa Mode (105° Sitting):** The standard upright position, perfect for seating two adults comfortably.
- **Lounger Mode (140° Reclining):** Gently push the backrest forward until you hear a click, then recline it to the 140-degree position for a relaxed lounging experience.
- **Bed Mode (180° Napping):** Push the backrest fully forward until it clicks past the lounging position, then lay it completely flat to create a comfortable 62.5" W x 37" D platform bed, suitable for overnight guests.

To return to an upright position from bed or lounger mode, simply push the backrest forward until it clicks into the desired angle.

Foldable Centre Drink Holders: In the central part of the sofa back, a drop-down platform with two cup holders keeps your snacks and drinks within arm's reach. You can always flip it up to create a flat surface for sitting or napping when not in use.

Removable Armrests: The two included armrests are removable and can be repositioned or removed entirely based on your preference for seating or sleeping arrangements.

CARE AND MAINTENANCE

Maintaining the appearance and longevity of your Yaheetech Convertible Sofa Bed is simple due to its faux leather upholstery.

- **Regular Cleaning:** For everyday dust and light spills, simply wipe the faux leather surface with a soft, damp cloth.
- **Spot Cleaning:** For tougher stains, use a mild soap solution diluted with water. Apply with a soft cloth, gently rub the affected area, and then wipe clean with a separate damp cloth. Dry immediately with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong detergents, as these can damage the faux leather.
- **Protect from Direct Sunlight:** Prolonged exposure to direct sunlight can cause the faux leather to fade or crack over time. Position your sofa bed away from direct sun exposure when possible.
- **Leg Care:** Periodically check the metal legs to ensure they remain tight and stable.

TROUBLESHOOTING

While the Yaheetech Convertible Sofa Bed is designed for durability and ease of use, here are some common points and tips for addressing them:

- **Firmness:** The cushions are designed to be firm to provide adequate support in all three modes. Over time, the foam fill may soften slightly with regular use. If a softer feel is desired for sleeping, a memory foam topper can be added.
- **Size Expectations:** This sofa bed is designed to be compact and space-friendly. Please refer to the specifications section for exact dimensions to ensure it meets your space and comfort requirements, especially for taller individuals when used as a bed.
- **Conversion Mechanism:** The folding mechanism is robust, but it is recommended to operate it slowly and deliberately to ensure smooth transitions between modes and to prevent unnecessary wear. If the mechanism feels stiff, ensure no obstructions are present.
- **Armrests Stability:** The armrests are designed to be removable. If they feel loose, ensure they are properly seated and consider adding non-slip pads if frequent movement is an issue.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model	B07ZWPBBBT
