# Hemudu HT03B-003P Universal TV Stand Instruction Manual

Model: HT03B-003P

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hemudu HT03B-003P Universal TV Stand. This stand is designed to accommodate televisions from 40 to 86 inches, with a maximum load capacity of 66 kg (132 lbs) and VESA patterns up to 600x400mm. It features 5 adjustable height levels and a sturdy tempered glass base, offering a stable and versatile solution for your television display.

## IMPORTANT SAFETY INFORMATION

---

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in serious personal injury or property damage. Keep this manual for future reference.

- **Weight Capacity:** Do not exceed the maximum load capacity of 66 kg (132 lbs). Overloading can cause instability and potential injury.
- **TV Size:** This stand is suitable for TVs between 40 and 86 inches. Ensure your TV's size and weight are within these limits.
- **VESA Compatibility:** Verify your TV's VESA mounting pattern (distance between mounting holes on the back of the TV) is compatible with the stand (100x100mm to 600x400mm).
- **Stable Surface:** Always place the TV stand on a flat, level, and stable surface to prevent tipping.
- **Secure Assembly:** Ensure all screws and bolts are securely tightened before placing the TV on the stand. Do not overtighten.
- **Children and Pets:** Keep small parts away from children and pets, as they may pose a choking hazard.
- **Cable Management:** Use the provided cable management system to prevent tripping hazards and maintain a tidy setup.
- **Moving the Stand:** Always remove the TV from the stand before attempting to move the unit. Move with caution and assistance.

## PACKAGE CONTENTS

Before assembly, please check that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

Image: All components of the TV stand, including the base, column, TV mounting arms, and hardware kit.

- Tempered Glass Base
- Main Support Column
- TV Mounting Brackets (Left & Right)
- VESA Arms
- Hardware Kit (various screws: M4, M6, M8; washers, spacers)
- Anti-slip Rubber Feet
- Cable Management Clips
- Assembly Tools (e.g., Allen wrench)

## SETUP AND ASSEMBLY

Follow these steps carefully to assemble your TV stand. It is recommended to have two people for certain steps, especially when mounting the TV.

Image: Illustration of the assembly process, highlighting ease of setup.

- 1. Prepare the Base:** Carefully place the tempered glass base on a soft, clean surface to prevent scratches. Attach the anti-slip rubber feet to the bottom corners of the glass base.
- 2. Assemble the Main Column:** Secure the main support column to the tempered glass base using the provided screws and tools. Ensure it is firmly attached and upright.
- 3. Attach TV Brackets to Column:** Mount the TV mounting brackets to the main support column. These brackets allow for height adjustment. Select your desired height level and secure the brackets with the appropriate screws.
- 4. Attach VESA Arms to TV:** Lay your TV face down on a soft, clean surface. Identify the VESA mounting holes on the back of your TV. Attach the VESA arms to these holes using the correct size screws, washers, and spacers from the hardware kit. Ensure the arms are securely fastened and evenly aligned.
- 5. Mount TV to Stand:** With assistance, carefully lift your TV and hook the VESA arms onto the TV mounting brackets

on the stand. Ensure the TV is centered and level.

- 6. **Secure TV:** Use the safety lock screws or mechanisms provided to secure the TV to the stand, preventing accidental dislodgement.
- 7. **Cable Management:** Utilize the cable management clips on the back of the main column to organize and conceal your TV cables, ensuring a neat and safe setup.

# WILL THIS MOUNT FIT MY TV?

## OPERATING INSTRUCTIONS

The Hemudu HT03B-003P TV stand offers adjustable features for optimal viewing comfort.

**5 HEIGHTS**  
Comfy for eyes, 5 heights for browse.

Image: Visual representation of the 5 adjustable height levels.

## Height Adjustment

The TV stand features 5 levels of height adjustment, with each level allowing for a 3 cm change in height. To adjust the height:

1. **Remove TV:** For safety, it is recommended to remove the TV from the stand before adjusting the height.
2. **Adjust Brackets:** Loosen the screws securing the TV mounting brackets to the main column.
3. **Select New Height:** Slide the brackets to the desired height level. Ensure both brackets are at the same level.
4. **Secure Brackets:** Retighten the screws firmly to secure the brackets in the new position.
5. **Re-mount TV:** Carefully re-mount your TV onto the adjusted brackets and secure it with the safety locks.

## MAINTENANCE

Proper maintenance will ensure the longevity and safe operation of your TV stand.

- **Cleaning:** Use a soft, dry cloth to clean the stand. For the tempered glass base, a glass cleaner can be used, but avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary, but do not overtighten.
- **Avoid Impact:** Protect the tempered glass base from sharp impacts or heavy objects, which could cause it to crack or shatter.

## TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Stand is unstable or wobbly.	Screws are loose; stand is on an uneven surface; weight capacity exceeded.	Ensure all assembly screws are tightened. Move the stand to a flat, level surface. Verify TV weight is within limits.
TV does not fit the stand.	Incorrect VESA pattern; TV size outside specified range.	Check your TV's VESA pattern against the stand's compatibility (100x100mm to 600x400mm). Confirm your TV size is between 40-86 inches.
Missing parts or damaged components.	Packaging error or shipping damage.	Do not proceed with assembly. Contact Hemudu customer support or the retailer for assistance.
