Nordlux Alton 35 Pendant Light Instruction Manual

Model: 48973001

INTRODUCTION

Thank you for choosing the Nordlux Alton 35 Pendant Light. This manual provides essential information for the safe and correct installation, operation, and maintenance of your new luminaire. Please read these instructions carefully before beginning installation and retain them for future reference.

SAFETY INSTRUCTIONS

- **Always disconnect the main power supply** before installing, cleaning, or performing any

maintenance on the luminaire.

- Installation should be carried out by a **qualified electrician** in accordance with local electrical codes and regulations.
- Ensure the voltage rating of the luminaire (230 Volts) matches your electrical supply.
- Do not exceed the maximum wattage of **60 Watts** for the E27 bulb.
- This product is designed for **indoor use only**.
- Keep the luminaire away from water and moisture.
- Do not modify the product in any way, as this may void the warranty and create safety hazards.

PACKAGE CONTENTS

Please check that all components are present and undamaged:

- 1 x Nordlux Alton 35 Pendant Light (Model 48973001)
- 1 x Ceiling rose and mounting bracket
- Mounting hardware (screws, wall plugs)
- Instruction Manual (this document)

Note: Bulb is not typically included and must be purchased separately.

SETUP AND INSTALLATION

Follow these steps carefully to install your pendant light:

1. **Turn off Power:** Locate the main circuit breaker for the room where you will install the light and turn off the power. Verify that the power is off using a voltage tester.
2. **Prepare Mounting Location:** Mark the desired position for the ceiling rose. Ensure there is adequate structural support for the luminaire.
3. **Install Mounting Bracket:** Attach the mounting bracket to the ceiling using the provided screws and wall plugs. Ensure it is securely fastened.
4. **Wire Connections:** Connect the electrical wires from your ceiling to the terminal block on the luminaire's ceiling rose. Match the Live (L), Neutral (N), and Earth/Ground (E) wires correctly. If unsure, consult a qualified electrician.
5. **Attach Luminaire:** Carefully lift the luminaire and secure the ceiling rose to the mounting bracket. Ensure all wires are tucked safely inside the ceiling rose.
6. **Install Bulb:** Screw an E27 bulb (max 60W, LED or Incandescent) into the lamp holder.
7. **Restore Power:** Turn the power back on at the main circuit breaker.

OPERATING INSTRUCTIONS

The Nordlux Alton 35 Pendant Light is operated via a standard wall switch connected to your home's

electrical circuit. Simply toggle the switch to turn the light on or off.

MAINTENANCE

Cleaning

- Ensure the power is off and the luminaire is cool before cleaning.
- Wipe the glass shade and metal parts with a soft, dry, or slightly damp cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.

Bulb Replacement

- **Always turn off the power** at the main circuit breaker before replacing the bulb.
- Allow the old bulb to cool completely before touching it.
- Carefully unscrew the old E27 bulb.
- Screw in a new E27 bulb, ensuring it does not exceed the maximum wattage of 60W.
- Restore power once the new bulb is securely in place.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power supply.	Check the main circuit breaker and wall switch.
	Faulty bulb.	Replace the E27 bulb.
	Incorrect wiring.	Consult a qualified electrician to check wiring connections.
Light flickers.	Loose bulb.	Tighten the E27 bulb.
	Incompatible or faulty bulb.	Try a different E27 bulb.
	Loose wiring connection.	Consult a qualified electrician to check wiring connections.

SPECIFICATIONS

Brand: Nordlux

Model Number: 48973001

Product Dimensions (L x W x H): 35 x 35 x 30 cm

Item Weight: 2.05 kilograms

Material: Metal and Glass

Color: White

Style: Vintage

Fixture Shape: Pendant

Bulb Base: E27

Max Wattage: 60 Watts

Voltage: 230 Volts

Bulb Type: Incandescent, LED

Light Color: Warm white

Luminous Efficacy: 800 lumen

Energy Label: A++

Power Source: AC

Control Method: Push-button (via wall switch)

Usage: Indoor

Recommended Room Type: Living room, Hallway

Mounting Type: Ceiling Mount, Flush Mount

Cord Length: 300 cm

Canopy Diameter: 12 cm
