Nisorpa UKB2-C2-0008 Wall-Mounted Foldable Ironing Board

User Manual

1. INTRODUCTION

Thank you for choosing the Nisorpa UKB2-C2-0008 Wall-Mounted Foldable Ironing Board. This product is designed to provide a convenient and space-saving solution for your ironing needs. Please read this manual carefully before installation and use to ensure proper function and safety. Keep this manual for future reference.

2. SAFETY INSTRUCTIONS

- Always ensure the ironing board is securely mounted to a sturdy wall structure before use.
- Do not overload the ironing board. It is designed for ironing garments, not for supporting heavy objects.
- Keep children and pets away from the ironing board during use and when folding/unfolding.
- Use caution when handling hot irons. Always place the iron on a heat-resistant surface or iron rest when not in use.
- Ensure the board is fully locked in its open position before applying pressure during ironing.
- When folding the board, ensure fingers and hands are clear of moving parts to prevent pinching.
- Regularly inspect the mounting hardware and board for any signs of wear or damage. Do not use if damaged.

3. PACKAGE CONTENTS

Please check the package to ensure all components are present:

- Nisorpa Wall-Mounted Foldable Ironing Board
- Heat-Resistant Ironing Board Cover (pre-installed)
- Mounting Bracket
- Mounting Hardware (screws, wall anchors)
- Instruction Manual

4. SETUP AND INSTALLATION

Tools Required: Drill, drill bits, level, measuring tape, screwdriver, pencil.

1. **Choose a Location:** Select a sturdy wall in a convenient location, ensuring sufficient space for the board to unfold (100 cm length). Consider the desired ironing height.
2. **Mark Mounting Points:** Hold the mounting bracket against the wall at the desired height. Use a level to ensure it is straight. Mark the positions for the drill holes with a pencil. Refer to the dimensions diagram for precise measurements.
3. **Drill Holes:** Drill pilot holes at the marked positions. Use appropriate drill bits for your wall type (e.g., masonry bit for brick, wood bit for studs). Insert wall anchors if necessary.
4. **Attach Mounting Bracket:** Secure the mounting bracket to the wall using the provided screws. Ensure it is firmly attached and stable.
5. **Attach Ironing Board:** Align the ironing board's hinge mechanism with the mounted bracket. Secure the board to the bracket using the remaining screws. Ensure all connections are tight and the board can pivot smoothly.
6. **Test Stability:** Gently pull the board down to its open position and push it back up to its folded position several times to ensure smooth operation and secure mounting.

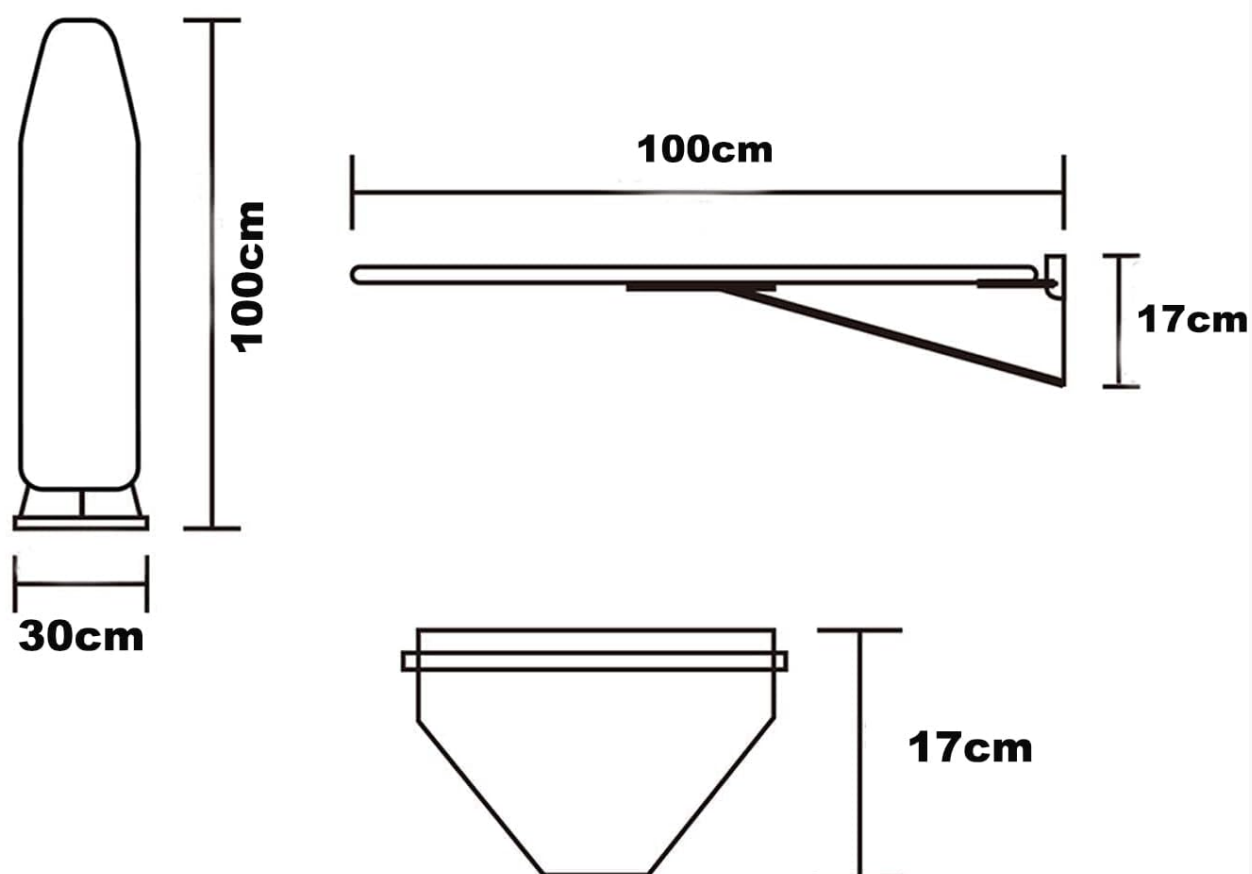

Figure 1: Dimensions of the Nisorpa Wall-Mounted Foldable Ironing Board. The board measures 100cm in length and 30cm in width. The wall bracket extends 17cm from the wall.

Figure 2: Detailed view of the robust mounting bracket and hinge system, highlighting the secure attachment points for wall installation.

Figure 3: The underside of the ironing board, revealing the perforated metal surface for steam ventilation and the sturdy folding support structure.

5. OPERATING INSTRUCTIONS

1. **Unfolding the Board:** Gently pull the bottom edge of the folded ironing board downwards. The board will pivot on its hinge until it reaches a horizontal position. Ensure the support mechanism locks into place, providing a stable ironing surface.
2. **Using the Board:** Place your garments on the heat-resistant cover. Use your iron as usual. Always ensure the iron is placed on a heat-resistant surface when not actively ironing.
3. **Folding the Board:** After use, ensure the iron is safely stored away and the board has cooled if it absorbed heat. Release the locking mechanism (if applicable, typically a lever or button near the hinge) and gently push the board upwards until it is vertical and flush against the wall. Ensure it locks securely in the folded position.

Figure 4: Visual demonstration of the ironing board's drop-down and fold-up mechanism, illustrating its ease of use and space-saving design.

Figure 5: The Nisorpa ironing board fully extended and ready for use, showcasing its functional surface area for ironing garments.

Figure 6: The ironing board neatly folded against a bathroom wall, illustrating its discreet and space-saving storage solution.

Figure 7: The ironing board in its folded position within a laundry space, highlighting its ability to remain unobtrusive when not in use.

6. MAINTENANCE

- **Cleaning:** Wipe the metal parts of the board with a damp cloth. Do not use abrasive cleaners.
- **Cover Care:** The heat-resistant cover can be removed for cleaning if necessary. Follow the care instructions on the cover's label. Ensure the cover is dry before reattaching.
- **Hardware Check:** Periodically check all screws and mounting hardware to ensure they remain tight. Tighten if loose.
- **Hinge Lubrication:** If the folding mechanism becomes stiff, apply a small amount of silicone-based lubricant to the hinge points.

7. TROUBLESHOOTING

- **Board feels unstable:** Ensure all mounting screws are securely tightened. Verify that the wall structure is solid and capable of supporting the board's weight and applied pressure during ironing.

- **Difficulty folding/unfolding:** Check for any obstructions in the hinge mechanism. Ensure the locking mechanism is fully disengaged when folding and fully engaged when unfolding. Lubricate hinges if necessary.
- **Board not level:** Re-check the mounting bracket installation with a level. Adjust if needed.

8. SPECIFICATIONS

Feature	Specification
Brand	Nisorpa
Model Number	UKB2-C2-0008
Dimensions (L x W x H)	100 x 30 x 17 cm (folded)
Weight	4.8 Kilograms
Material	Alloy Steel (Frame: Iron, Metal)
Mounting Type	Wall Mount
Foldable	Yes

9. WARRANTY AND SUPPORT

Information regarding specific warranty terms and customer support for the Nisorpa UKB2-C2-0008 Wall-Mounted Foldable Ironing Board is not available in this manual. Please refer to your purchase documentation or contact the retailer/manufacturer directly for warranty claims and technical assistance.
