## CasartUS B0813FJMGT

# Casart Chaise Lounge Chair Instruction Manual

Model: B0813FJMGT | Brand: CasartUS

## 1. INTRODUCTION

Thank you for choosing the Casart Folding Beach Chaise Lounge Chair. This manual provides essential information for the safe and effective use, setup, and maintenance of your new lounge chair. Please read all instructions carefully before assembly and use.

Figure 1.1: Casart Chaise Lounge Chairs in a beach setting.

This image displays two blue Casart chaise lounge chairs positioned on a sandy beach, with a vibrant blue ocean and palm trees in the background, illustrating their intended outdoor use.

## 2. KEY FEATURES

The Casart Chaise Lounge Chair is designed for comfort and portability, offering several key features:

- **Ergonomic Design:** Engineered to reduce muscle tension and stress, providing a balanced blend of firmness and softness.
- **Durable Construction:** Crafted from heavy-duty, breathable 600D Oxford fabric and a sturdy steel frame, supporting up to 300 pounds.
- **Adjustable Recline:** Features 4 adjustable reclining positions for personalized comfort and relaxation.
- **Lightweight & Folding:** Extremely lightweight and foldable for easy transport and storage, suitable for various indoor and outdoor environments.
- **Removable Padded Pillows:** Includes pillows that can be removed and used as a headrest or for other support purposes, including face-down comfort.

Special Feature	Adjustable, Lightweight, Removable Pillow
Form Factor	Foldable
Recommended Uses	Beach, Pool, Patio, Lawn, Camping

Figure 3.1: Product Dimensions.

This diagram illustrates the key dimensions of the Casart chaise lounge chair, including its length, width, and adjustable height, providing a clear visual reference for its size.

## 4. SETUP INSTRUCTIONS

The Casart Chaise Lounge Chair comes pre-assembled and requires minimal setup. Follow these steps to prepare your chair for use:

1. **Unfolding the Chair:** Carefully remove the chair from its packaging. Place the folded chair on a flat,

stable surface. Gently pull the two ends of the chair apart until the frame fully extends and locks into place. Ensure all legs are firmly on the ground.

2. **Adjusting the Backrest:** The backrest features a multi-position adjustable mechanism. To adjust, lift the backrest slightly and move it to your desired angle. Ensure the support bar securely engages with the notches on the frame. There are 4 adjustable reclining positions available.
3. **Positioning the Pillow:** The removable padded pillow can be positioned as a headrest or for other support purposes. It can also be moved to accommodate face-down lounging.

Figure 4.1: Folded Chair for Transport.

This image shows the Casart chaise lounge chair in its compact, folded state, highlighting its ease of transport and storage.

## 5. OPERATING INSTRUCTIONS

Using your Casart Chaise Lounge Chair is straightforward. Follow these guidelines for optimal comfort and safety:

- **Reclining Positions:** To change the recline angle, gently lift the backrest and select one of the 4 available positions by engaging the support bar into the corresponding notch. Ensure the backrest is stable before leaning back.

- **Face-Down Comfort:** The chair is equipped with a face cavity and a removable pillow, allowing for comfortable face-down lounging. Adjust the pillow as needed for neck and head support. This feature is ideal for reading or using electronic devices while lying on your stomach.
- **Portability:** When not in use, the chair can be easily folded for transport or storage. Ensure the backrest is fully lowered, then gently push the frame inwards until it collapses into its compact form.

## Large Angle Adjustment

### Design for human curvature

Figure 5.1: Large Angle Adjustment.

This diagram visually represents the extensive angle adjustment capabilities of the chaise lounge chair, ranging from a nearly flat 15 degrees to an upright 80 degrees, designed for human curvature.

## 4-level Adjustable Recline Angle Meet Your Multi Needs

Figure 5.2: 4-Level Adjustable Recline Angle.

This image provides a detailed view of the 4-level adjustable recline mechanism, showing how the support bar engages with the notches to set different angles for the backrest.

**Open Face Cavity For Convenient Reading, Eating Or Playing Phone  
No More Worry About Glaring Sun**

Figure 5.3: Open Face Cavity for Face-Down Use.

This image demonstrates the unique open face cavity feature of the chaise lounge chair, allowing a user to comfortably lie face down for activities like reading or using a phone without glare.

## 6. CARE AND MAINTENANCE

---

Proper care will extend the life of your Casart Chaise Lounge Chair:

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners, as they may damage the fabric or frame.
- **Drying:** Ensure the chair is completely dry before folding and storing to prevent mildew and rust.
- **Storage:** When not in use, especially during inclement weather or off-season, store the chair in a dry, protected area. Folding the chair will save space.
- **Inspection:** Periodically inspect the frame, fabric, and adjustment mechanisms for any signs of wear, damage, or loose parts. Tighten any loose screws if necessary.

## 7. TROUBLESHOOTING

---

If you encounter issues with your Casart Chaise Lounge Chair, refer to the following common problems and solutions:

- **Issue:** The backrest does not stay in the desired position or falls flat.  
**Solution:** Ensure the support bar is fully engaged within the chosen notch on the frame. Sometimes, a slight lift and re-engagement are needed to secure it properly. Verify that the chair is on a level surface.
- **Issue:** The chair feels unstable or wobbly.  
**Solution:** Confirm that the chair's frame is fully extended and all legs are firmly on the ground. Ensure the folding mechanisms are completely locked open. Avoid placing the chair on uneven terrain.
- **Issue:** Difficulty folding or unfolding the chair.  
**Solution:** Ensure there are no obstructions in the folding mechanism. Apply gentle, even pressure when folding or unfolding. If the chair has been stored for a long time, the joints might be stiff; careful manipulation should resolve this.
- **Issue:** The chair feels too low to the ground.  
**Solution:** This chair is designed with a low profile for stability and ease of use in various outdoor settings. Its height is approximately 15 inches when fully extended. This is a design characteristic and not a defect.

## 8. WARRANTY AND SUPPORT

---

For any questions, concerns, or issues not covered in this manual, please contact CasartUS customer support. Keep your purchase receipt as proof of purchase for any warranty claims. Specific warranty details may vary; please refer to the product packaging or the retailer's website for the most current warranty information.

**Contact Information:** Please refer to the contact details provided with your purchase or visit the official CasartUS website for support.
