Marea B58001

Marea Smart B58001/3 User Manual

Interchangeable Steel and White Silicone Bracelet Smartwatch

1. INTRODUCTION

Welcome to the user manual for your Marea Smart B58001/3 Smartwatch. This device incorporates advanced technology to provide a comprehensive and user-friendly experience. Featuring a high-resolution full-color touchscreen (240 x 240 pixels) and an ultra-light design, your smartwatch is designed for daily wear and functionality. This manual will guide you through the setup, operation, and maintenance of your new Marea Smartwatch.

2. SETUP

2.1 Unboxing and Initial Charge

Upon unboxing, ensure all components are present:

- Marea Smart B58001/3 Smartwatch
- Interchangeable bands (white silicone and silver steel mesh)
- Charging cable
- User manual (this document)
- Warranty card

Connect the charging cable to the smartwatch and a suitable USB power source. Allow the device to fully charge before first use. The battery typically lasts 5-7 days on a full charge.

2.2 Band Installation

Your Marea Smartwatch comes with interchangeable bands. To change the band:

1. Locate the quick-release pins on the underside of the watch bands.
2. Slide the pin inwards to detach the current band from the watch casing.
3. Align the new band with the watch lugs, insert one end of the pin into the lug hole, then slide the pin inwards to fit the other end into the opposite lug hole.
4. Release the pin to secure the band. Gently tug on the band to ensure it is properly attached.

2.3 App Installation and Bluetooth Pairing

To unlock the full functionality of your smartwatch, you need to pair it with your smartphone via Bluetooth and install the dedicated Marea app (compatible with Android operating systems). The app allows for data synchronization, notification management, and watch customization.

1. Download the official Marea smartwatch application from your smartphone's app store.
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Marea app and follow the on-screen instructions to search for and connect to your B58001/3 smartwatch.
4. Once connected, the date and time on your smartwatch will automatically synchronize with your phone.

3. OPERATING YOUR SMARTWATCH

Your Marea Smartwatch features a touch screen for navigation and interaction. You can customize your display from multiple home screens available.

3.1 Basic Navigation

- **Swipe Left/Right:** Navigate between different feature screens (e.g., activity data, heart rate, weather).
- **Swipe Up/Down:** Access quick settings or notifications.
- **Tap:** Select an option or enter a menu.
- **Wrist Turn:** The screen can be turned on automatically by turning your wrist.

3.2 Key Features

- **Step Count & Activity Tracking:** Displays daily steps, kilometers, and calories burned. Data is reset at 24:00 daily and sent to the app for historical tracking.
- **Notifications:** Receive synchronized notifications from your phone, including calls, messages, and social media alerts (Facebook, WhatsApp, SMS, Email, etc.).
- **Sleep Monitor:** Tracks your sleep patterns to help you understand and improve your sleep quality.
- **Heart Rate Monitoring:** Continuously monitors your heart rate.
- **Blood Pressure & Blood Oxygen:** Provides readings for blood pressure and blood oxygen levels.
- **Electrocardiogram (ECG):** Capable of performing ECG measurements.
- **Sport Mode:** Dedicated modes for various sports activities to track performance metrics.
- **Sedentary Reminder:** Alerts you when you have been inactive for too long, encouraging movement.
- **Drinking Water Reminder:** Prompts you to drink water at regular intervals.
- **Music Remote Control:** Control music playback on your paired smartphone directly from your watch.
- **Remote Photo Capture:** Use your watch as a remote shutter for your phone's camera.
- **Alarm:** Set alarms directly on your watch.
- **Chronograph & Countdown:** Utilize stopwatch and countdown timer functions.
- **Find the Watch:** Use the app to locate your watch if it's within Bluetooth range.

4. MAINTENANCE

4.1 Cleaning

Regularly clean your smartwatch and bands to ensure hygiene and prolong their lifespan.

- Wipe the screen and watch body with a soft, lint-free cloth. If necessary, slightly dampen the cloth with water.
- For silicone bands, wash with mild soap and water, then rinse thoroughly and dry.
- For steel mesh bands, use a soft brush to remove debris and wipe with a damp cloth. Ensure it is completely dry to prevent corrosion.
- Avoid using harsh chemicals, abrasive cleaners, or solvents as they may damage the watch.

4.2 Water Resistance

The Marea Smart B58001/3 is water resistant. However, it is not suitable for diving or high-pressure water activities. Avoid prolonged exposure to water and ensure the watch is dry before charging.

4.3 Battery Care

To maximize battery life:

- Charge the watch fully before first use.
- Avoid completely draining the battery frequently.
- Store the watch in a cool, dry place when not in use for extended periods.

5. TROUBLESHOOTING

Problem	Possible Solution
Watch not turning on	Ensure the watch is fully charged. Connect to the charging cable and wait a few minutes.
Cannot pair with phone	Ensure Bluetooth is enabled on your phone and the watch. Make sure the watch is within Bluetooth range of your phone. Restart both the watch and your phone. Clear Bluetooth cache on your phone (if applicable). Reinstall the Marea app.
Notifications not appearing	Check notification settings within the Marea app. Ensure app notifications are enabled in your phone's system settings. Verify the watch is properly connected via Bluetooth.
Inaccurate activity data	Ensure the watch is worn snugly on your wrist. Calibrate the watch through the app if available.

6. SPECIFICATIONS

Feature	Detail
