MCombo 9019/4919

MCombo Manual Swivel Recliner with Ottoman

Model: 9019/4919

1. INTRODUCTION

Thank you for choosing the MCombo Manual Swivel Recliner with Ottoman. This manual provides essential information for the safe assembly, operation, and maintenance of your new recliner. Please read all instructions carefully before use and retain this manual for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please observe the following:

- Keep out of reach of children.
- Avoid contact with skin and eyes.
- If ingested, seek medical help immediately.
- Ensure all bolts and screws are securely tightened before use.
- Do not stand on the recliner or ottoman.
- Maximum weight recommendation: 330 Pounds.

3. PACKAGE CONTENTS

Your MCombo recliner and ottoman set is delivered in 2 boxes. Please verify all components are present before beginning assembly.

Product Size

Wall Clearance 9.8 Inches

4. SETUP AND ASSEMBLY

Assembly is required. Please follow the improved, detailed, and user-friendly guide below. It is recommended to have two people for certain steps.

4.1. Assembly Video Guide

Video: Official MCombo Assembly Guide for 6151-9019 Recliner. This video demonstrates the step-by-step process of assembling your recliner and ottoman.

Video: Official MCombo Assembly Guide for Models 9019 and 4919. This video provides visual instructions for assembling both the recliner and ottoman.

4.2. Ottoman Assembly

1. Attach the U-shaped frame to the round base of the ottoman using the provided screws and washers.
2. Secure the ottoman cushion to the assembled base.

4.3. Recliner Assembly

1. Assemble the chair's base, connecting shaft, and round iron plate using screws and washers.
2. Attach the seat cushion to the base.
3. Connect the backrest to the seat base, ensuring proper alignment and securing with bolts.
4. Attach the armrests to the chair frame, tightening all screws.

5. OPERATING INSTRUCTIONS

Your MCombo recliner is designed for ease of use and comfort.

5.1. Reclining Function

The backrest can be easily adjusted between 105° and 140° using the knobs located on both sides of the chair. You can pause the recline at any desired angle for optimal comfort.

5.2. 360-Degree Swivel

The chair features a 360-degree swivel mechanism set in a sturdy wooden base. This allows for smooth flexibility while maintaining stability, preventing unintentional spinning.

5.3. Ottoman Use

The accompanying ottoman provides additional support for your legs, enhancing relaxation. It can be moved independently to suit your preference.

6. MAINTENANCE

Proper care will extend the life and appearance of your recliner and ottoman.

- **Cleaning:** For routine cleaning, wipe with a soft, damp cloth. For tougher spots, use a mild soap solution and dry thoroughly. Avoid harsh chemicals.
- **General Care:** Keep the furniture away from direct sunlight and heat sources to prevent fading and material degradation.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Re-tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

- **Reclining mechanism stiff:** Ensure no obstructions are present. Check and lubricate moving parts if

necessary.

- **Chair wobbles:** Verify all assembly bolts are securely tightened. Ensure the chair is on a flat, even surface.
- **Swivel not smooth:** The swivel mechanism may need very light lubrication for smooth operation.
