PREPARATION FOR FIRST USE

Before incorporating any new skincare product into your routine, it is recommended to perform a patch test. Apply a small amount of the face wash to an inconspicuous area of your skin, such as behind the ear or on the inner forearm. Wait 24 hours to observe for any signs of irritation, redness, or allergic reaction. If irritation occurs, discontinue use.

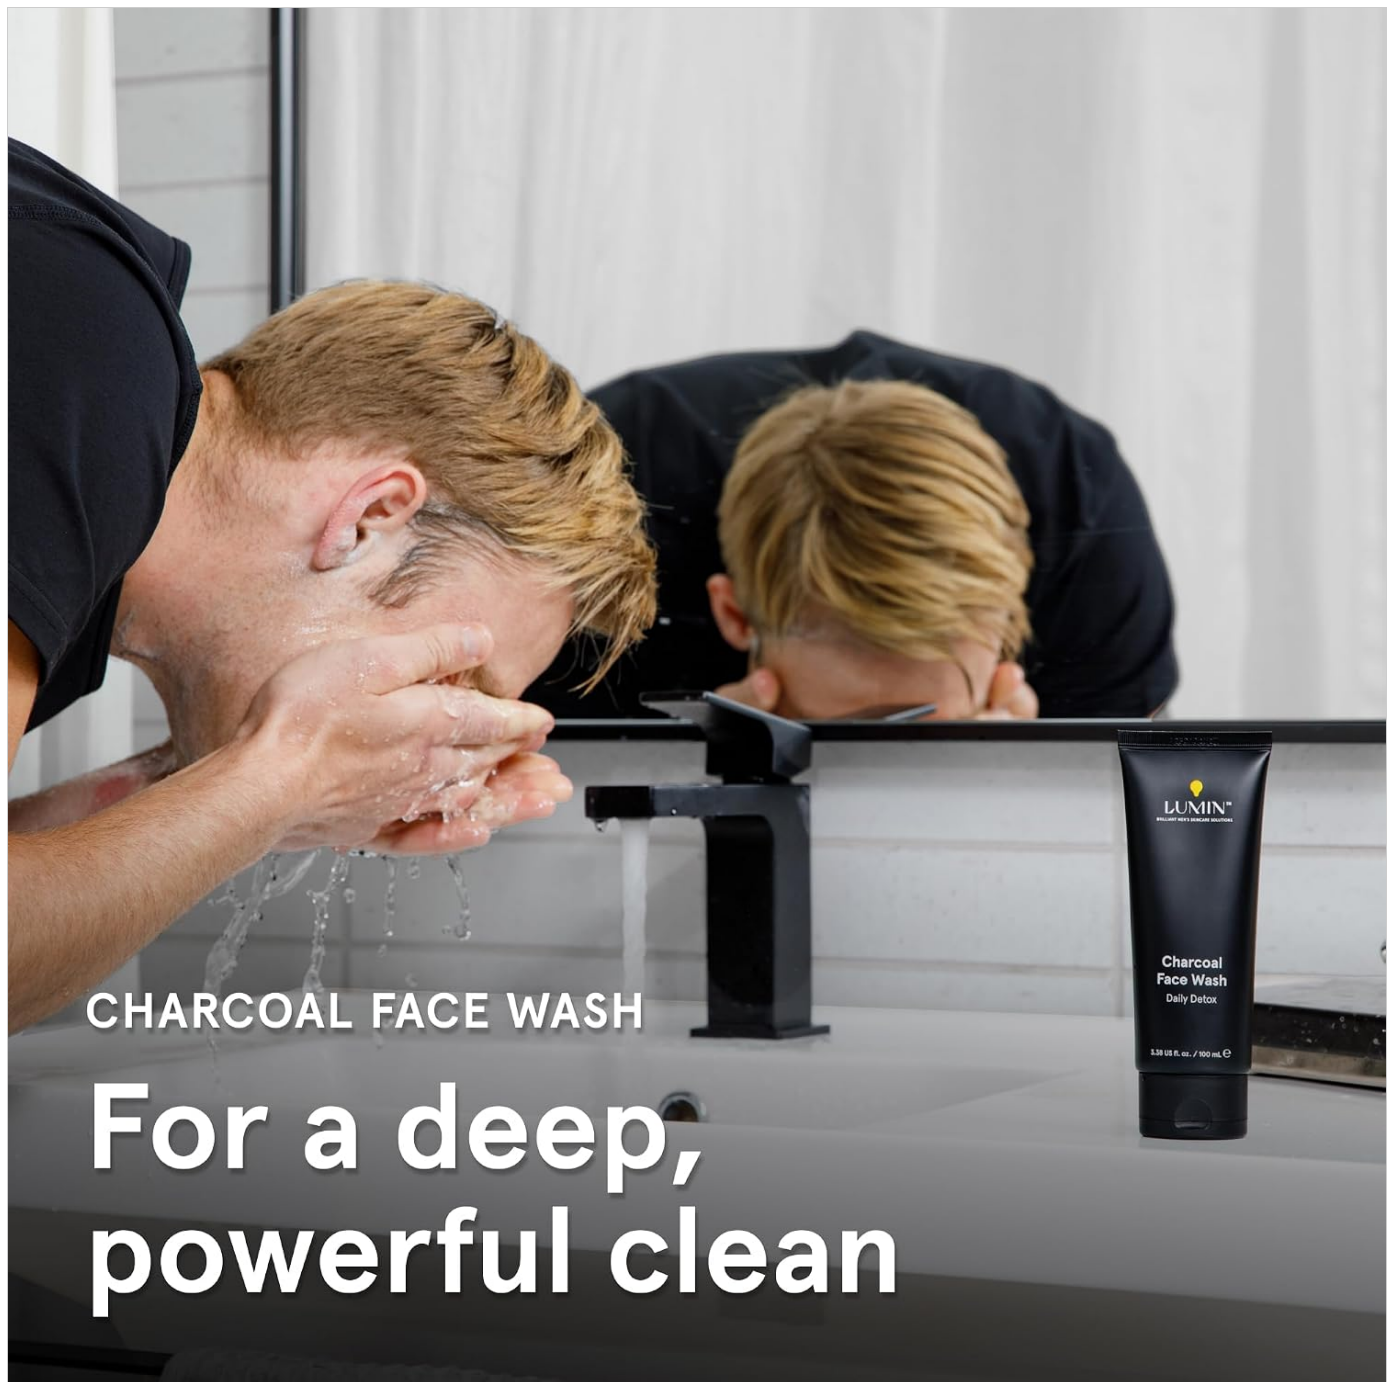

USAGE INSTRUCTIONS

Follow these steps for optimal results:

1. **Wet Your Face:** Begin by splashing your face with lukewarm water to dampen the skin.
2. **Dispense Product:** Squeeze a small amount of Lumin Charcoal Face Wash onto your wet hands. A pea-sized amount is typically sufficient.
3. **Lather:** Rub your hands together to create a rich lather.
4. **Apply to Face:** Gently massage the lather onto your face in circular motions, avoiding the eye area. Focus on areas prone to oiliness or congestion.
5. **Rinse Thoroughly:** Rinse your face well with lukewarm water until all traces of the cleanser are removed.
6. **Pat Dry:** Gently pat your face dry with a clean towel.

Recommended Frequency

For most skin types, this face wash can be used daily. However, if you have sensitive skin or experience dryness, consider using it every other day or as needed. Adjust frequency based on your skin's response.
