JALL K8

JALL Wake Up Light Sunrise Alarm Clock User Manual

Model: K8

INTRODUCTION

The JALL Wake Up Light Sunrise Alarm Clock is designed to provide a gentle and natural awakening experience. It features a sunrise simulation that gradually brightens, accompanied by natural sounds, to help users wake up feeling refreshed. This versatile device also includes dual alarms, an FM radio, a snooze function, and can serve as a night light or mood light with adjustable brightness and colors.

SETUP

Follow these steps to set up your JALL Wake Up Light Sunrise Alarm Clock:

1. **Power Connection:** Connect the provided power adapter to the clock and plug it into a standard electrical outlet. The display will light up.

2. **Time Setting:** Press and hold the "Time Setting" button (often indicated by a clock icon) to enter time setting mode. Use the "+" and "-" buttons to adjust the hour and minute. Press the "Time Setting" button again to confirm each

setting.

3. **Display Brightness:** Adjust the LED time display brightness by pressing the "Display Brightness" button. There are typically three levels: bright, medium, and off.

OPERATING INSTRUCTIONS

Sunrise Simulation Alarm

The sunrise simulation gradually increases light intensity from 10% to 100% over a set period (10, 20, or 30 minutes) before your alarm time, mimicking a natural sunrise.

- **Setting Alarm:** Press the "Alarm 1" or "Alarm 2" button. Use "+" and "-" to set the alarm time. Press the alarm button again to confirm.

- **Alarm Mode:** Select alarm frequency (Every Day, Weekday, Weekend) by pressing the alarm button repeatedly.
- **Sunrise Duration:** Adjust the sunrise simulation duration (10/20/30 minutes) in the alarm settings.
- **Alarm Sound:** Choose from 7 natural sounds (bird song, sea wave, stream, beep, wind chime, soft music, piano music) or FM radio. Adjust volume (16 levels).
- **Snooze Function:** When the alarm sounds, press the "Snooze" button for an additional 9 minutes of sleep.

FM Radio

The clock can function as an FM radio.

- **Turn On/Off:** Press the "FM Radio" button to turn the radio on or off.
- **Auto Scan:** Press and hold the "FM Radio" button for 2 seconds to automatically scan and save available stations (76.0-108.0 MHz).
- **Manual Tuning:** Rotate the snooze button to manually tune to a specific frequency.

Night Light / Bedside Lamp / Mood Light

Use the clock as a versatile light source.

- **Activate:** Press the "Wake-up Light / Mood Light" button.
- **Adjust Brightness:** Use the "+" or "-" buttons to adjust the light brightness (20 levels).
- **Change Colors:** Cycle through 7 color options (blue, indigo, purple, red, orange, yellow, green) by pressing the light button.

Maintenance

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the clock in a cool, dry place when not in use for extended periods.
- **Power:** Always use the original power adapter provided with the device.

Troubleshooting

Problem	Solution
Clock display is off.	Check if the power adapter is securely connected. Ensure the display brightness is not set to "off".

Problem	Solution
Alarm does not sound.	Verify that the alarm is enabled and the volume is not set to minimum. Check if the correct alarm mode (Every Day, Weekday, Weekend) is selected.
Sunrise simulation not working.	Ensure the sunrise simulation duration is set in the alarm settings. The light will gradually brighten before the set alarm time.
FM radio static or poor reception.	Extend the antenna fully. Try auto-scanning for stations again or manually tune to a stronger signal. Reposition the clock for better reception.

SPECIFICATIONS

| Feature	Detail
Brand	JALL
Model Number	K8
Color	White
Display Type	LED
