MERITLINE Detachable Full Over Full Bunk Bed with Trundle

MERITLINE Detachable Full Over Full Bunk Bed with Trundle Instruction Manual

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your MERITLINE Detachable Full Over Full Bunk Bed with Trundle. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This bunk bed system is designed to offer versatile sleeping arrangements, functioning as a full-over-full bunk bed or two separate full-size beds, with an additional pull-out trundle bed.

2. Safety Information

WARNING: Failure to follow these safety guidelines may result in serious injury or property damage.

- Ensure adherence to the maximum weight capacity for each bed level and the trundle.
- Follow proper assembly instructions precisely to prevent instability or collapse of the bed structure.
- Exercise caution during unboxing and assembly to avoid injuries from sharp edges or unexpected component movement.
- Regularly inspect all fasteners and connections to ensure they remain tight and secure.
- Do not allow children under 6 years of age on the upper bunk.
- Always use the provided ladder for access to the upper bunk.
- Ensure mattresses used meet the recommended thickness and dimensions to maintain proper guard rail height.

3. Package Contents

Your MERITLINE bunk bed system is shipped in two separate boxes. Please ensure you have received both packages before beginning assembly. Verify all components against the included parts list in your assembly guide.

- Full Over Full Bunk Bed Frame Components

- Trundle Bed Frame Components
- Hardware Pack (screws, bolts, dowels, etc.)
- Assembly Instruction Manual
- Necessary Assembly Tools

4. Setup and Assembly

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly manual included in your package. If the instruction manual is missing, it can often be downloaded from the product's technical specification section online.

4.1 Important Assembly Notes:

- Ensure all parts are present before starting. If you received two boxes, they might arrive on different days.
- Use the provided tools and hardware. Do not substitute parts.

- Assemble on a soft, clean surface to prevent scratching the furniture.
- Tighten all bolts and screws securely, but do not overtighten.

Figure 4.1: Diagram illustrating the dimensions of the MERITLINE Full Over Full Bunk Bed with Trundle, including overall length (79.5 inches), width (57 inches), height (60 inches), and weight limits for each bed level and trundle.

Figure 4.2: Image showing the MERITLINE bunk bed in two configurations: as a stacked bunk bed and as two separate full-size platform beds, highlighting its detachable design.

Figure 4.3: Close-up view of the MERITLINE bunk bed highlighting key features: 11.75-inch high guard rails, strong wood legs, 3-step ladders, and 26-inch under-bed clearance for the trundle.

5. Operating Instructions

5.1 Bunk Bed Configuration

When assembled as a bunk bed, ensure the ladder is securely attached and all guard rails are in place. The top bunk is accessed via the integrated ladder. The trundle bed can be pulled out from underneath the bottom bunk for additional sleeping space.

5.2 Detaching into Two Separate Beds

This bunk bed can be converted into two independent full-size beds. To detach, carefully follow the specific instructions in your assembly manual regarding the removal of connecting dowels and hardware. Ensure the beds are placed on a level surface after separation.

5.3 Trundle Bed Usage

The trundle bed is designed to slide out smoothly on its wheels. To use, gently pull the trundle frame from beneath the bottom bunk. To store, push it back into place until it is fully recessed under the bed. The trundle is suitable for a twin-size mattress.

6. Maintenance

To maintain the appearance and longevity of your MERITLINE bunk bed, follow these care instructions:

- **Cleaning:** Wipe the bed frame with a dry or damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- **Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten as necessary to maintain structural integrity.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to dry out or warp. Maintain a stable room temperature and humidity.

7. Troubleshooting

7.1 Missing Parts

If you find that parts are missing from your package, please contact customer support immediately. Note that the product ships in two boxes, which may arrive separately. Please allow a few days for all packages to arrive before reporting missing items.

7.2 Missing Instruction Manual

If the instruction manual is not included in your package, you can typically download an electronic version from the product page under the 'Technical Specification' or 'Installation Manual' section.

8. Specifications

Feature	Detail
Brand	MERITLINE
Model	Detachable Full Over Full Bunk Bed with Trundle
Color	Espresso
Product Dimensions	79.5"L x 57"W x 60"H
