Ibergrif M22105A

Ibergrif M22105A Kitchen Faucet Instruction Manual

Model: M22105A | Brand: Ibergrif

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Ibergrif M22105A kitchen faucet. Please read this manual thoroughly before installation and keep it for future reference.

2. PRODUCT FEATURES

- **High Arc Spout:** Designed for easy filling of large pots and containers.
- **360° Swivel Function:** Provides maximum flexibility and convenience for various sink tasks.
- **Cold Start Ceramic Valve:** Ensures cold water is delivered when the handle is in the normal open position, reducing unnecessary hot water consumption and saving up to 10% energy.
- **Durable Brass Construction:** The entire faucet body is constructed from high-quality brass for extended durability and lifespan.
- **Scratch-Resistant Finish:** Features a brushed grey finish that is resistant to scratches and easy to clean.
- **Water-Saving Aerator:** Equipped with a Neoperl aerator for efficient water flow and reduced splashing.

Cold start, Kelogic

Different with the traditional operation, the Cold Start system helps you save energy by starting lever position between the central and left. If necessary, it only comes to the left position, and the hot water flow out.

Water savings.

Energy savings.

Low noise.

5. SETUP AND INSTALLATION

Professional installation is recommended. Ensure water supply is turned off before starting. Follow these general steps:

1. **Prepare the Sink:** Ensure the mounting hole on your sink or countertop is clean and appropriately sized (typically Ø35mm).
2. **Mount the Faucet:** Insert the faucet into the mounting hole. Secure it from underneath the sink using the provided washers and mounting nut.
3. **Connect Water Lines:** Attach the hot (red indicator) and cold (blue indicator) water supply lines to the corresponding connections on the faucet and your home's water supply. Ensure all connections are tight to prevent leaks.
4. **Test for Leaks:** Slowly turn on the main water supply and check all connections for any leaks. Operate the faucet to ensure proper hot and cold water flow.

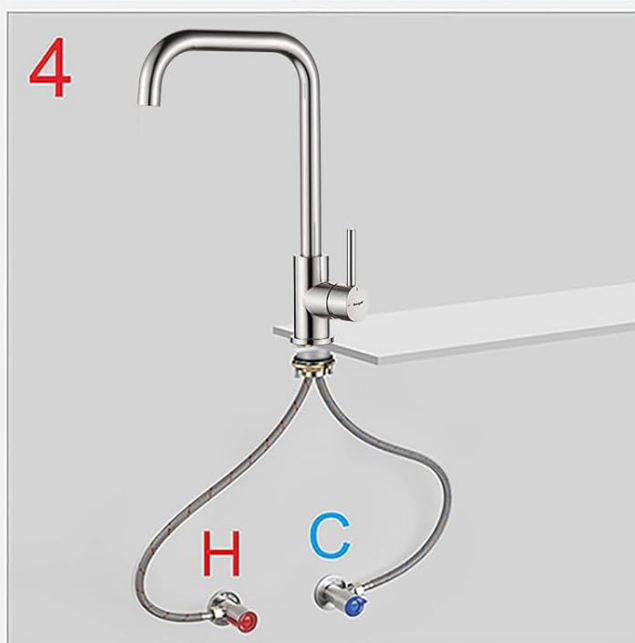

Image: Four-step visual guide demonstrating the installation process of the kitchen faucet, from inserting the faucet to connecting the water lines.

6. OPERATING INSTRUCTIONS

- **Water Flow Control:** Lift the single lever handle to turn the water on and off.
- **Temperature Control:**
 - Move the handle to the right for cold water (Cold Start feature).
 - Move the handle to the left for hot water.
 - Adjust the handle position between right and left to mix hot and cold water to your desired temperature.
- **Spout Rotation:** The high arc spout can swivel 360 degrees, allowing you to direct water flow to different areas of your sink or to fill large containers outside the sink basin.

7. MAINTENANCE

- **Cleaning:** Clean the faucet regularly with a soft cloth and mild soap. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the brushed finish.
- **Aerator Maintenance:** Periodically unscrew the aerator from the spout and clean any mineral deposits or debris to maintain optimal water flow.
- **Leak Checks:** Regularly inspect water connections for any signs of leaks. Tighten connections if necessary.

Image: Hands demonstrating the removal and cleaning of a faucet aerator to prevent mineral buildup and maintain water flow.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Low Water Flow	Clogged aerator; partially closed shut-off valve.	Clean the aerator; ensure shut-off valves are fully open.
Leaks from Faucet Base	Loose mounting nut; worn O-rings.	Tighten mounting nut; replace O-rings if necessary.
Dripping Faucet	Worn ceramic cartridge.	Replace the ceramic cartridge.
No Hot/Cold Water	Supply line shut-off valve closed; issue with water heater.	Check and open supply valves; consult a plumber for water heater issues.

9. WARRANTY AND SUPPORT

Ibergrif products are manufactured to high-quality standards. For warranty information, technical support, or replacement parts, please contact Ibergrif customer service through their official website or your retailer. Keep your purchase receipt as proof of purchase.
