2. SAFETY INFORMATION

- **Caution:** The desk weighs approximately 50.79 pounds (23.04 kg). Handle with care during assembly and moving to prevent injury.
- For dormitory use or enhanced stability, it is recommended to anchor the desk to a wall. Wall anchoring hardware may not be included.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as needed.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Video 1: SHW L-Shaped Home Office Wood Corner Desk Assembly Instructions. This video provides a step-by-step visual guide for assembling the desk.

Step-by-Step Instructions:

1. **Corner Panels:** Insert the wooden dowels (Part P) into the designated slots of Part K and Part L. Connect these two panels together. Secure them tightly using the M4x25 screws.
2. **Left Side Support:** Assemble the left support frame using Part D, Part F, and Part H. Connect these parts together using the M4x25 screws, starting from the top and working your way down.

3. **Right Side Support:** Similarly, assemble the right support frame using Part E, Part G, and Part I. Connect these parts together with the M4x25 screws, starting from the top and working your way down.
4. **Main Desktop:** On a flat surface, attach Part A and Part C together using the wooden dowels (Part P) in the designated slots. Secure them by aligning the four desktop connectors (Part M) with the hardware holes and then using the M6x20 screws to tighten them down.
5. **Return Desktop:** Take Part B and place it on the right side of the main desktop assembly. Underneath the boards, use the remaining M6x20 screws to connect the pieces together.
6. **Desktop Installation:** To finish the desktop installation, use the M6x12 screws to secure the desktop assembly to the assembled side supports from underneath. There are three connection points in the middle corner and two on either side of the desk.
7. **Shelf Panels:** Take the two shelf panels (Part J) and carefully attach them to the side support using the M4x25 screws.
8. **Shelf Panel Slates:** Align the two shelf panel slates (Part N) on the end of the desktop and use the M6x12 screws to attach them underneath.
9. **Securing Shelf:** Finally, fasten the shelves securely by applying the remaining M4x25 screws on both sides.
10. **Completion:** Once all steps are completed, ensure all connections are secure. Your L-shaped desk is now ready for use.

5. OPERATING INSTRUCTIONS

Space-Efficient Design

The L-shaped design maximizes corner space, providing a generous desktop surface for your work essentials. The integrated open shelves offer accessible storage for books, office supplies, or electronics, helping to keep your workspace organized.

Figure 3: Desk with items on shelves, demonstrating storage capacity.

Cable Management

The desk includes two desktop grommets designed for managing cables and cords. Utilize these grommets to route your device cables neatly, promoting a clutter-free and professional workspace.

Figure 4: Detail of the cable management grommet.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the laminated finish.
- **Protection:** Use coasters for drinks and placemats for hot items to prevent stains and heat damage.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

7. TROUBLESHOOTING

If you encounter any issues with your SHW L-Shaped Home Office Wood Corner Desk, please refer to the following common solutions:

- **Wobbling/Instability:** Ensure all assembly screws are fully tightened. Check that the desk is placed on a level surface. If used in a dormitory, consider anchoring the desk to the wall for added stability.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately for assistance.
- **Damaged Parts:** If any components arrived damaged, do not proceed with assembly. Contact customer support for replacement parts.

For further assistance, please contact SHW customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	SHW
