

Marea B58001/4

Marea Smart B58001/4 Smartwatch User Manual

Model: B58001/4 | Brand: Marea

1. INTRODUCTION

This manual provides comprehensive instructions for the Marea Smart B58001/4 smartwatch. Please read this manual carefully before using the device to ensure proper operation and to maximize its features. Keep this manual for future reference.

2. SAFETY INFORMATION

- Do not attempt to disassemble or modify the device. This may cause damage and void the warranty.
- Keep the device away from extreme temperatures, direct sunlight, and open flames.
- Avoid exposing the device to strong impacts or vibrations.
- Consult a medical professional before starting any new exercise regimen, especially if you have pre-existing health conditions. The heart rate, blood pressure, and blood oxygen measurements are for reference only and should not be used for medical diagnosis.
- Ensure the charging contacts are clean and dry before charging to prevent corrosion.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Marea Smart B58001/4 Smartwatch
- Charging Cable
- Interchangeable Strap (Rose Gold Milanese Loop)
- User Manual (this document)

4. PRODUCT OVERVIEW

The Marea Smart B58001/4 features a full-screen color touch display and a lightweight design. Below is an image illustrating the smartwatch and its interchangeable strap.

Image 4.1: Marea Smart B58001/4 Smartwatch with its primary light pink silicone strap and an additional rose gold Milanese loop strap. The watch face displays the time, date, and a butterfly graphic.

5. SETUP

5.1. Charging the Device

Before initial use, fully charge your smartwatch. Connect the charging cable to the charging contacts on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer USB port. The watch will display a charging indicator.

- **Battery Capacity:** 5-7 days (typical usage)

5.2. Pairing with Your Smartphone

To unlock all features, pair your Marea Smart B58001/4 with your smartphone via Bluetooth.

1. Download the official Marea Smart application from your smartphone's app store (iOS App Store or Google Play Store).
2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Marea Smart app and follow the on-screen instructions to create an account or log in.
4. In the app, navigate to the device pairing section and select your Marea Smart B58001/4 from the list of available devices.
5. Confirm the pairing request on both your smartphone and the smartwatch.

5.3. Initial Configuration

Once paired, the watch will automatically synchronize the date and time from your phone. You can set personal information (age, height, weight) within the Marea Smart app to improve the accuracy of activity tracking data.

6. OPERATING INSTRUCTIONS

6.1. Basic Navigation

The Marea Smart B58001/4 features a full-screen touch display for navigation.

- **Swipe Up/Down:** Scroll through menus and notifications.
- **Swipe Left/Right:** Access different feature screens or widgets.
- **Tap:** Select an item or confirm an action.
- **Long Press:** On the home screen, long press to change watch faces.
- **Wrist Turn Activation:** The screen will automatically turn on when you raise your wrist to view the time. This feature can be enabled/disabled in the app settings.

6.2. Key Features

The Marea Smart B58001/4 offers a range of functionalities:

- **Activity Tracking:** Monitors steps taken, distance traveled, and calories burned. Daily data is reset at midnight and stored in the app's history.
- **Heart Rate Monitoring:** Provides real-time heart rate data.
- **Blood Pressure & Blood Oxygen:** Measures blood pressure and blood oxygen levels. *Note: These measurements are for reference only and should not be used for medical purposes.*
- **Sleep Analysis:** Tracks sleep patterns and quality.
- **Notifications:** Receives alerts for calls, messages (SMS), and social media applications (e.g., Facebook, WhatsApp) from your paired smartphone.
- **Sport Modes:** Dedicated modes for various sports activities to track performance metrics.
- **Inactivity Reminder:** Alerts you when you have been sedentary for too long.
- **Water Consumption Reminder:** Prompts you to drink water at set intervals.
- **Remote Music Control:** Control music playback on your smartphone directly from the watch.

- **Remote Photo Control:** Use the watch as a remote shutter button for your smartphone camera.
- **Alarm & Timer:** Set alarms and use countdown timers.
- **Chronograph:** A stopwatch function for timing events.
- **Find Watch:** Use the app to locate your watch if it's within Bluetooth range.
- **ECG:** Electrocardiogram function. *Note: This measurement is for reference only and should not be used for medical purposes.*

7. MAINTENANCE

7.1. Cleaning

Regularly clean your smartwatch to maintain its appearance and functionality.

- Wipe the screen and body with a soft, damp cloth.
- For the silicone strap, you can use mild soap and water. For the Milanese loop, wipe with a dry or slightly damp cloth.
- Ensure the watch is completely dry before charging.

7.2. Water Resistance

The Marea Smart B58001/4 has an IP68 water resistance rating.

- IP68 means the device is protected against dust ingress and can withstand immersion in water up to 1.5 meters for up to 30 minutes.
- It is suitable for daily use, such as hand washing, rain, or showering.
- Avoid using the watch in hot water, saunas, or steam rooms, as steam can penetrate the seals.
- Do not press buttons or operate the touchscreen underwater.

7.3. Battery Care

- Avoid fully discharging the battery frequently.
- Store the device in a cool, dry place if not used for extended periods.

8. TROUBLESHOOTING

Issue	Possible Solution
Watch does not turn on	Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
Cannot pair with smartphone	Check if Bluetooth is enabled on your phone. Ensure the watch is within range. Restart both the watch and the phone. Make sure the Marea Smart app is updated.
Notifications not received	Verify notification permissions are granted to the Marea Smart app in your phone's settings. Ensure the app is running in the background. Check if 'Do Not Disturb' mode is active on either device.

Issue	Possible Solution
Inaccurate activity data	Ensure your personal information (height, weight, age) is correctly entered in the Marea Smart app. Wear the watch snugly on your wrist.
Screen unresponsive	Restart the watch. If the issue persists, contact customer support.
