3. SETUP GUIDE

Follow these steps to set up your Pendoo T95 Android TV Box:

- 1. Connect to TV:** Connect the HDMI cable from the TV Box to an HDMI input port on your television.
- 2. Connect Power:** Plug the power adapter into the DC port on the TV Box, then plug the adapter into a wall outlet.
- 3. Network Connection:**
 - **Wi-Fi:** Go to Settings > Network and select your Wi-Fi network. Enter the password if required.
 - **Ethernet:** Connect an Ethernet cable from your router to the LAN port on the TV Box.
- 4. Initial Boot:** The device will automatically power on and boot up. The Pendoo logo will appear on your screen.

5. **Remote Control:** Insert two AAA batteries (not included) into the remote control.

Large Storage Capacity

Install tons of apps, watch movies, and play more games while enjoying faster performance and stability

5. MAINTENANCE

To ensure the longevity and optimal performance of your Pendoo T95 Android TV Box, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the device. Do not use liquid cleaners or abrasive materials.
- **Ventilation:** Ensure the device is placed in a well-ventilated area to prevent overheating. Do not block the ventilation holes.
- **Software Updates:** Periodically check for system updates in the device settings to ensure you have the latest features and security patches.
- **Power Cycle:** If the device becomes unresponsive, disconnect the power adapter, wait 10 seconds, and then reconnect it.
