1. SETUP AND ASSEMBLY

This desk requires assembly. Please ensure all components are present before beginning. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

1.1 Unpacking and Component Check

Carefully remove all parts from the packaging. Refer to the included hardware list to verify all screws, bolts, and panels are accounted for. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

1.2 Assembly Steps

1. Attach the main desk panel to the vertical support panel using the provided hardware. Ensure all connections are secure.
2. Assemble the shelving unit. Connect the shelves to the support posts.
3. Connect the assembled shelving unit to the main desk panel via the swivel mechanism. Ensure the swivel mechanism is properly aligned and secured, allowing for smooth rotation.
4. Tighten all fasteners. Do not overtighten.

1.3 Initial Placement

The desk can be configured for corner or flat wall functionality. Position the desk in your desired location, ensuring sufficient space for adjustment and use.

Figure 1: The Yates Adjustable Corner Writing Desk configured in an L-shape, suitable for a corner or as a larger workstation. This image shows the desk with a laptop and decorative items, highlighting its functional design.

2. OPERATION

The Yates Adjustable Corner Writing Desk offers versatile configurations to suit various needs and spaces.

2.1 Adjusting the Desk Configuration

The desk features an adjustable swing mechanism that allows the shelving unit to rotate relative to the main desk panel. To adjust, gently rotate the shelving unit outward or inward to achieve the desired configuration:

- **L-Shaped Desk:** Rotate the shelving unit outward to create an L-shaped workstation, ideal for corner placement or a larger work surface.
- **Console Table:** Rotate the shelving unit inward, aligning it with the main desk panel to form a compact console table, suitable for hallways or smaller spaces.

Figure 2: Detail of the swivel mechanism, allowing the desk to transition between L-shape and console configurations. This view emphasizes the adjustable nature of the desk.

2.2 Weight Capacities

Observe the following weight limits to ensure the longevity and safety of the desk:

- **Main Desk Top:** Maximum 30 lbs (13.6 kg)
- **Each Storage Shelf:** Maximum 30 lbs (13.6 kg)

Do not exceed these weight limits to prevent damage or instability.

Figure 3: The desk's integrated shelving unit, providing two levels of storage for books, office supplies, or decorative items. This image illustrates the practical storage capabilities.

3. MAINTENANCE

Proper care will help maintain the appearance and functionality of your desk.

3.1 Cleaning Instructions

- For general cleaning, wipe surfaces with a soft, damp cloth.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Promptly wipe up spills to prevent staining or water damage to the engineered wood.

3.2 Material Care

- **Engineered Wood:** Protect from direct sunlight and extreme temperature changes to prevent warping or fading.
- **Chrome Finish:** Clean chrome components with a soft cloth and a mild, non-abrasive cleaner designed for metal finishes. Avoid scratching the surface.

3.3 Fastener Checks

Periodically check all fasteners (screws, bolts) to ensure they remain tight. Re-tighten as necessary to maintain stability, but do not overtighten.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

4.1 Desk Instability

- **Issue:** The desk feels wobbly or unstable.
- **Solution:** Check all assembly fasteners. Ensure they are securely tightened. Verify the desk is placed on a level surface.

4.2 Difficulty Adjusting Swivel Mechanism

- **Issue:** The shelving unit is difficult to rotate or feels stiff.
- **Solution:** Ensure no objects are obstructing the rotation path. Check for any debris in the swivel mechanism. If the issue persists, contact customer support.

4.3 Surface Scratches or Dents

- **Issue:** Minor scratches or dents appear on the desk surface.
- **Solution:** Use furniture markers or repair kits designed for engineered wood to touch up minor imperfections. Always use coasters or protective pads under items to prevent future damage.

5. SPECIFICATIONS

Feature	Detail
Brand	Southern Enterprises
Model Number	HO3939
Dimensions (D x W x H)	39.25" x 45" x 29.75" (100 cm x 114 cm x 76 cm)
Weight	66.5 lbs (30.16 kg)
