Mondeer F1018BC04WT

Mondeer 9-Cube Bookshelf with 9 Storage Bins

Model: F1018BC04WT

Brand: Mondeer

Introduction

Thank you for choosing the Mondeer 9-Cube Bookshelf with 9 Storage Bins. This instruction manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read this manual thoroughly before assembly and retain it for future reference.

Safety Information

- **Small Parts Warning:** This product contains small parts which may pose a choking hazard to children. Keep all components out of reach of children during assembly.
- **Weight Capacity:** Each cube has a maximum load capacity of 15 kg (33 lbs). Do not exceed this limit to prevent structural damage or injury.
- **Stability:** Ensure the unit is placed on a flat, level, and stable surface. For added stability and safety, especially in households with children or pets, consider securing the unit to a wall using appropriate anti-tip hardware (not included).
- **Do Not Climb:** Do not allow children to climb on or play with the unit. This can lead to tipping and serious injury.
- **Proper Use:** Use this product only for its intended purpose as a storage and display unit.

Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Bookshelf Panels (E1 particle board, white finish)
- Back Panels (MDF)

- 9 Fabric Storage Bins (grey)
- Assembly Hardware (screws, dowels, connectors)
- Instruction Manual

Setup: Assembly Instructions

Assembly typically requires two adults. Please follow these steps carefully.

1. **Prepare Your Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Identify Components:** Separate and identify all panels and hardware according to the parts list in your included manual.
3. **Assemble the Frame:** Begin by connecting the side panels to the top and bottom panels using the provided hardware. Ensure all connections are secure.
4. **Insert Dividers:** Carefully slide and secure the internal divider panels to create the nine cube compartments.
5. **Attach Back Panels:** Once the main frame is assembled, attach the MDF back panels to the rear of the unit. This enhances stability.
6. **Insert Storage Bins:** Unfold the 9 fabric storage bins and place one into each cube compartment.

Operating (Usage)

The Mondeer 9-Cube Bookshelf is designed for versatile storage and organization.

- **Flexible Storage:** Use the cubes with or without the fabric storage bins. The bins are ideal for concealing clutter, while open cubes are suitable for displaying books, decor, or larger items.
- **Placement:** This unit is suitable for various rooms including living rooms, study rooms, bedrooms, children's rooms, and offices.
- **Weight Distribution:** Distribute weight evenly across the shelves to maintain stability and prevent warping. Place heavier items on lower shelves.

Maintenance

Proper care will extend the life and appearance of your bookshelf.

- **Cleaning the Bookshelf:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish. Dry immediately with a clean cloth.
- **Cleaning the Bins:** The fabric bins can be spot cleaned with a mild detergent and a damp cloth. Allow them to air dry completely. Do not machine wash or tumble dry.
- **Hardware Check:** Periodically check all assembly hardware (screws, dowels) to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.

Troubleshooting

If you encounter any issues with your bookshelf, refer to the following common solutions:

- **Unit is Wobbly:**
  - Ensure the unit is on a flat, level surface. Adjust if necessary.
  - Check all screws and connections. Tighten any loose hardware.
- **Parts Do Not Align:**
  - Disassemble the affected section and re-check the orientation of the panels against the instruction diagrams.
  - Ensure no hardware is cross-threaded or incorrectly inserted.
- **Damaged or Missing Parts:**
  - Do not attempt to force damaged parts. Contact Mondeer customer support for replacements.

Specifications

Model Number	F1018BC04WT
Dimensions (L x W x H)	90 x 30 x 90 cm (35.4 x 11.8 x 35.4 inches)
Weight	25 kg (55 lbs)
Material	E1 Particle Board (bookshelf), MDF (back panels), Fabric (bins)
Color	White (bookshelf), Grey (bins)
Number of Cubes	9
Load Capacity per Cube	15 kg (33 lbs)
