Package Contents

Upon opening the package, verify that all the following items are included:

- 1 x Mi 55-inch 4K Ultra HD Android Smart LED TV
- 2 x Table Top Stands
- 1 x User Manual (this document)
- 1 x Warranty Card
- 1 x Remote Control

Setup

Mounting Options

Your Mi TV offers two primary mounting options: table-top stand installation or wall mounting.

Table-Top Stand Installation

To install the included table-top stands:

1. Carefully place the TV screen-down on a soft, flat surface to prevent damage.
2. Align each stand with the corresponding screw holes on the bottom of the TV.
3. Secure the stands using the provided screws. Ensure they are tightened firmly.
4. Carefully lift the TV and place it on a stable, level surface.

Wall Mounting

Wall mounting hardware is not included with the TV and must be purchased separately. Professional installation is recommended for wall mounting to ensure safety and proper alignment. Please consult the wall mount kit's instructions for specific installation steps.

Connecting Devices

The Mi TV 4X Series offers multiple connectivity options for your external devices.

- **HDMI Ports:** Connect set-top boxes, Blu-ray players, gaming consoles, and other HDMI-enabled devices. The TV features 3 HDMI ports, including one with ARC (Audio Return Channel) support.
- **USB Ports:** Connect hard drives, USB flash drives, and other USB devices for media playback. The TV has 2 USB ports.
- **AV Input:** For older devices using composite video and stereo audio.
- **S/PDIF:** Digital audio output for connecting to soundbars or home theater systems.

- **Network (Ethernet):** For a wired internet connection.
- **Antenna:** For connecting a terrestrial antenna for broadcast TV.

Operating Your Mi TV

Remote Control

The included remote control allows you to navigate the TV's interface and access various features. It supports both IR and Bluetooth technology and includes voice control options.

Image: Mi TV remote control with key features highlighted.

- **Power Button:** Turns the TV on or off.
- **Google Assistant Button:** Activates voice commands for search, content playback, and smart home control.
- **Navigation Pad:** Used to move through menus and select items.
- **Quick Access Buttons:** Dedicated buttons for popular streaming services like Netflix and Prime Video.

Smart TV Features

Your Mi TV is equipped with advanced smart features, powered by Android TV and Xiaomi's PatchWall interface.

PatchWall Interface

PatchWall is Xiaomi's custom content-first interface, offering a massive library of 4K content and integrating various streaming services.

Image: PatchWall 3.0 interface showcasing new features.

- **Universal Search:** Find content across all your installed apps.
- **Kid's Mode:** A curated environment with child-friendly content.
- **Live News:** Access real-time news updates.
- **Content Partners:** Access content from Netflix, Prime Video, Hotstar, YouTube, and many more.

Android TV & Google Assistant

The TV runs on Android TV, providing access to the Google Play Store for apps and games, and built-in Chromecast for casting content from your mobile devices. Google Assistant allows for voice control of the TV and integrated smart home devices.

Connecting to Amazon Alexa

You can integrate your Mi TV with Amazon Alexa for voice control. Follow these steps:

Image: Instructions for connecting your Mi TV to Amazon Alexa.

1. **Step 1:** Open the "TV Guide" app on your Mi TV. Ensure the app is updated to the latest version. Go to settings and select "Connect to Alexa".
2. **Step 2:** Open the Amazon Alexa app on your mobile device. Tap on "Browse skills", search for "Sensy", and click on "Enable to use".
3. **Step 3:** Link your account. Enter the OTP displayed on your Mi TV into the Alexa app on your phone and follow the instructions to complete the setup.
4. **Step 4:** You can now use voice commands such as "Alexa, Open Prime Video" or "Alexa, Switch to channel 326".

Maintenance

Proper maintenance ensures the longevity and optimal performance of your Mi TV.

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Do not use harsh chemicals or abrasive cleaners. Lightly dampen the cloth with water if necessary, and wipe gently.

- **Cleaning the Body:** Wipe the TV's frame and stand with a soft, dry cloth.
- **Ventilation:** Ensure the TV's ventilation openings are not blocked. Adequate airflow is crucial to prevent overheating.
- **Power Off When Not in Use:** For extended periods of inactivity, it is recommended to unplug the TV from the power outlet.
- **Software Updates:** Regularly check for and install system updates to ensure optimal performance and access to new features.

Troubleshooting

This section addresses common issues you might encounter with your Mi TV. If the problem persists, please contact customer support.

Problem	Possible Cause / Solution
No Power	Ensure the power cable is securely plugged into both the TV and a working power outlet. Check the power indicator light on the TV.
No Picture / Black Screen	Verify the correct input source is selected. Check HDMI/AV cable connections. Try restarting the TV.
No Sound	Check the volume level and ensure the TV is not muted. Verify audio cable connections if using external speakers. Check audio output settings.
Remote Control Not Working	Replace batteries. Ensure no obstructions between the remote and the TV's IR sensor. Re-pair the Bluetooth remote if necessary.
Wi-Fi Connection Issues	Restart your Wi-Fi router. Ensure the TV is within range of the Wi-Fi signal. Re-enter Wi-Fi password.
Smart Features Not Responding	Ensure the TV is connected to the internet. Try restarting the TV. Check for system updates.
