Coats S971-5820x2

Coats Outdoor Living Thread User Manual

Model: S971-5820x2

Product Overview

The Coats Outdoor Living Thread is a high-quality, heavy-duty thread designed for durability and resistance to outdoor elements. This bundle includes two 200-yard spools of Caribbean Blue thread, suitable for a variety of outdoor sewing projects.

It is specifically formulated to be compatible with heavier outdoor fabrics, making it an ideal choice for repairing or creating items from canvas and heavy nylon. Its robust construction ensures a strong and tough stitch, capable of withstanding demanding conditions.

Image: Two spools of Coats Outdoor Living Thread, Caribbean Blue, 200 yards each. The spools are labeled "Coats Outdoor Polyester" and indicate "200 yds / 182 m".

Setup

Before beginning your sewing project, ensure your sewing machine is properly threaded according to its manufacturer's instructions. For hand sewing, select an appropriate needle size that can accommodate the heavy-duty nature of this thread.

- **Machine Sewing:** Insert the spool onto your machine's spool pin. Follow your machine's threading path, ensuring the thread is correctly tensioned for heavy fabrics.
- **Hand Sewing:** Cut the desired length of thread. Thread your needle, ensuring the thread passes smoothly through the eye.

It is recommended to perform a test stitch on a scrap piece of your fabric to verify tension and stitch quality before starting your main project.

Operating Instructions

Coats Outdoor Living Thread is designed for sewing and repairing heavy-duty materials such as canvas, upholstery, and outdoor gear. Its strength and weather resistance make it suitable for projects exposed to the elements.

- **Fabric Compatibility:** Best used with heavier outdoor fabrics and materials like canvas, heavy nylon, and other durable textiles.
- **Needle Selection:** Use a strong, sharp needle appropriate for heavy fabrics (e.g., denim needles, leather needles) to prevent thread breakage and skipped stitches.
- **Tension Adjustment:** Due to its heavy-duty nature, you may need to adjust your sewing machine's tension settings. Start with a slightly higher upper tension and adjust as needed to achieve balanced stitches.
- **Stitch Length:** For durable seams, a slightly longer stitch length (e.g., 3-4mm) is often effective with heavy threads and fabrics.

Maintenance

The Coats Outdoor Living Thread itself requires minimal maintenance. However, proper care of items sewn with this thread will ensure their longevity.

- **Product Care Instructions:** Items sewn with this thread can typically be machine washed. Always refer to the care instructions of the fabric you are sewing for specific washing guidelines.
- **Storage:** Store spools in a cool, dry place away from direct sunlight to preserve thread integrity and color.

Troubleshooting

While Coats Outdoor Living Thread is designed for reliability, occasional issues may arise during sewing. Here are some common troubleshooting tips:

- **Thread Breaking:**
    - Check needle: Ensure the needle is new, sharp, and appropriate for heavy fabrics. A dull or bent needle can cause thread breakage.
    - Check tension: Incorrect tension (too tight) can cause the thread to snap. Adjust the upper tension dial.
    - Re-thread machine: Improper threading is a common cause of issues. Re-thread your machine carefully, ensuring the thread is seated correctly in all guides.
- **Skipped Stitches:**
    - Needle type: Use a needle designed for heavy fabrics.

- Needle insertion: Ensure the needle is inserted correctly and fully into the needle clamp.

- **Uneven Stitches:**
  - Tension issues: Adjust both upper and bobbin tension until stitches are balanced on both sides of the fabric.
  - Thread quality: Ensure the thread is not tangled or snagged on the spool.

Specifications

Attribute	Detail
Brand	Coats
Model Number	S971-5820x2
Material	Nylon
Color	2x Caribbean Blue
Thread Length	200 Yards (182 meters) per spool
Package Quantity	2 Spools
Package Dimensions	11.9 x 6.3 x 2.8 cm
Item Weight	41 g
Manufacturer	Coats & Clark
UPC	741498714375
ASIN	B081ZGFS4S
