## 5. MAINTENANCE

To maintain your DOOGEE S68 Pro in optimal condition, follow these guidelines:

- **Cleaning:** Use a soft, damp cloth to clean the device. For stubborn dirt, especially after exposure to mud or dust, rinse gently with clean water and ensure all ports are dry before charging.

- **Avoid Extreme Temperatures:** Do not expose the phone to excessively high or low temperatures for prolonged periods.

- **Port Protection:** Ensure all port covers are securely closed when the phone is exposed to water or dust.

- **Software Updates:** Regularly update your device's software to benefit from the latest security patches and performance improvements.

## 6. TROUBLESHOOTING

If you encounter issues with your DOOGEE S68 Pro, refer to the following common solutions:

- **Device Not Turning On:** Ensure the battery is charged. Connect the phone to its charger and wait a few minutes before attempting to power it on again.

- **Charging Issues:** Check the charging cable and adapter for damage. Ensure the Type-C port is clean and free of debris. Try a different charger if available.

- **Poor Network Signal:** Move to an area with better network coverage. Check if your SIM card is properly inserted.

- **Applications Crashing:** Clear the cache and data of the problematic app in Settings > Apps. If the issue persists, uninstall and reinstall the app.

- **Touchscreen Unresponsive:** Restart the device. If the issue continues, perform a factory reset (note: this will erase all data).
