# New Pacific Direct Thomas Metal Chair (Set of 4) Instruction Manual

## INTRODUCTION

This instruction manual provides essential information for the proper use and care of your New Pacific Direct Thomas Metal Chair set. Designed for a minimalist decor with a casual vibe, these chairs feature a thin metal frame with a visually appealing wired grid back and a diamond quilted seat pad for comfort. This set includes four chairs, fully assembled and ready for use.

## SETUP

The New Pacific Direct Thomas Metal Chairs are delivered fully assembled, eliminating the need for complex assembly. Upon receiving your chairs, simply unbox them and place them in your desired location.

1. **Unboxing:** Carefully remove the chairs from their packaging. Inspect each chair for any signs of damage during transit.
2. **Placement:** Position the chairs around your dining table or in any area where seating is required. Ensure the floor surface is level to prevent wobbling.
3. **Initial Inspection:** Verify that all four chairs are stable and that the seat cushions are securely attached.

## OPERATING INSTRUCTIONS

These chairs are designed for indoor dining and general seating purposes. They are built for durability and comfort.

- **Seating:** The chairs are designed to accommodate adults with a maximum bearing weight of 250 lbs. Sit centrally on the seat cushion for optimal balance and comfort.
- **Stackability:** For convenient storage or to save space, these chairs are stackable. Carefully lift and place one chair directly on top of another, ensuring proper alignment to prevent damage.
- **Cushion Use:** The diamond quilted seat cushion provides enhanced comfort. It is designed to be easily removable, secured by Velcro, allowing for flexibility in use and maintenance.

## MAINTENANCE

Proper care will ensure the longevity and appearance of your Thomas Metal Chairs.

- **General Cleaning:** For routine cleaning, simply dust the metal frame with a soft, dry cloth.
- **Spot Cleaning:** For spills or marks on the PU leather seat cushion, use a damp cloth to spot clean. Immediately wipe dry with a clean, dry cloth to prevent moisture damage.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish of the metal frame or the PU leather.
- **Cushion Removal:** The seat cushions are attached with Velcro and can be easily removed for thorough cleaning or if you prefer to use the chairs without them.

## TROUBLESHOOTING

Should you encounter any issues with your chairs, please refer to the following common concerns:

- **Wobbling:** If a chair wobbles, ensure it is placed on a flat, even surface. Check the leg glides for any uneven wear or damage.

- **Cushion Shifting:** If the seat cushion shifts during use, ensure it is properly aligned and firmly pressed onto the Velcro fasteners on the chair seat.
- **Surface Scratches:** To prevent scratches on hard floors, ensure the leg glides are intact and clean. Replace worn glides as needed.
