- **Anti-Tipping Device:** Always install the included anti-tipping accessories to prevent accidental tipping, especially in households with children or pets.

- **Even Distribution:** Distribute weight evenly across all drawers. Avoid placing heavy items solely in upper drawers.
- **Stable Surface:** Place the dresser on a flat, level, and stable surface. Use the adjustable feet to ensure stability and prevent wobbling.
- **No Climbing:** Do not allow children to climb on or play with the dresser.
- **Top Surface:** The top surface is designed for light decorative items. Do not place heavy objects or electronics like televisions on top, as this can lead to instability and damage.
