iLuv Bubble Gum True Wireless Earbuds (Blue) - User Manual

Model: bbgtsairbl

INTRODUCTION

This manual provides essential information for the proper use and maintenance of your iLuv Bubble Gum True Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity. The iLuv Bubble Gum True Wireless Earbuds are designed for a seamless audio experience, featuring true wireless connectivity, simple controls, and a waterproof design for versatile use.

PACKAGE CONTENTS

- iLuv Bubble Gum True Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual (this document)
- Changeable Eartips (various sizes)

PRODUCT OVERVIEW

Figure 1: iLuv Bubble Gum True Wireless Earbuds and Charging Case. The image displays the blue earbuds inside their open charging case, surrounded by water droplets, highlighting their waterproof feature. The earbuds are a vibrant purple-blue with white indicator lights, and the case has small red indicator lights on the front.

The iLuv Bubble Gum True Wireless Earbuds consist of two independent earbuds (left and right) and a portable charging case. The earbuds are designed to fit comfortably in the ear and provide high-quality audio. The charging case not only protects the earbuds but also recharges them on the go.

Key Features:

- True Wireless Stereo (TWS) technology
- Bluetooth 5.0 for stable connectivity
- Up to 20 hours of total listening time (with charging case)
- Simple, intuitive touch controls
- Waterproof design
- One-step pairing

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case.

1. Place the earbuds into the charging case, ensuring they are correctly seated in their respective slots (L for left, R for right).
2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The indicator lights on the charging case will illuminate to show charging status. Once fully charged, the lights may turn solid or turn off, depending on the model.
4. The earbuds will also show an indicator light while charging inside the case, which will turn off or change color when fully charged.

2. Pairing with Your Device

The earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, computer), go to the Bluetooth settings.
3. Ensure Bluetooth is enabled.
4. Search for available devices. You should see "iLuv Bubble Gum TWS" or a similar name.
5. Select the earbuds from the list to connect. Once connected, you will hear an audible confirmation, and the earbud indicator lights may turn off or flash slowly.
6. If pairing fails, place the earbuds back into the case, close the lid, wait a few seconds, and then repeat the steps.

Note: The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

Touch Controls:

The iLuv Bubble Gum True Wireless Earbuds feature intuitive touch controls on each earbud. The specific functions may vary slightly, but common controls include:

Action	Function
Single Tap (Left/Right)	Play/Pause Music, Answer/End Call
Double Tap (Right Earbud)	Next Track
Double Tap (Left Earbud)	Previous Track
Triple Tap (Left/Right)	Activate Voice Assistant (Siri, Google Assistant)
Long Press (2 seconds)	Reject Call

Please refer to the specific control scheme provided in your product's quick start guide if it differs.

Wearing the Earbuds:

For optimal sound quality and comfort, choose the correct size eartips. Gently insert each earbud into your ear canal and

twist slightly to secure a snug fit. The "L" and "R" markings indicate the left and right earbuds, respectively.

MAINTENANCE

Cleaning:

Regular cleaning helps maintain sound quality and hygiene.

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water. Do not use harsh chemicals or abrasive materials.
- Gently clean the earbud mesh and charging contacts with a dry cotton swab or a soft brush.
- Ensure the earbuds and charging case are completely dry before placing them back in the case or charging.

Storage:

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

Water Resistance:

The earbuds are waterproof. However, this does not mean they are suitable for swimming or prolonged submersion. They are designed to withstand sweat, splashes, and light rain. Always ensure the charging port on the case is dry before charging.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not pairing	<ul style="list-style-type: none">◦ Ensure earbuds are charged.◦ Turn off and on Bluetooth on your device.◦ Forget "iLuv Bubble Gum TWS" from your device's Bluetooth list and re-pair.◦ Place earbuds back in case, close lid, wait 10 seconds, then open and try again.
Only one earbud working	<ul style="list-style-type: none">◦ Ensure both earbuds are charged.◦ Place both earbuds back in the case, close the lid, and then take them out together.◦ Perform a factory reset (refer to manufacturer's website for specific instructions if needed).
Low volume or poor sound quality	<ul style="list-style-type: none">◦ Adjust volume on your device.◦ Clean the earbud mesh to remove any debris.◦ Try different size eartips for a better seal.◦ Ensure there are no obstructions between the earbuds and your device.

Problem	Possible Solution
Charging case not charging	<ul style="list-style-type: none">◦ Check the USB cable and power adapter.◦ Ensure the charging port on the case is clean and free of debris.◦ Try a different charging cable or power source.
