## mDesign 11024MDCEU

# mDesign Cosmetic Storage Unit Instruction Manual

Model: 11024MDCEU

## PRODUCT OVERVIEW

The mDesign Cosmetic Storage Unit is designed to organize and store various beauty essentials. This unit features a clear plastic construction with a durable soft brass-finished steel wire frame, offering both functionality and a clean aesthetic. It includes 16 distinct compartments and 2 smooth-gliding sliding drawers, providing ample space for items such as lipstick, nail varnish, eye shadow palettes, brushes, and other cosmetic accessories. Its compact design is suitable for countertops, vanities, or inside cabinets, helping to maintain a tidy and accessible beauty area.

## SETUP INSTRUCTIONS

The mDesign Cosmetic Storage Unit comes pre-assembled and ready for immediate use. No assembly is required.

- 1. Unboxing:** Carefully remove the storage unit from its packaging. Inspect the unit for any signs of damage during transit.
- 2. Placement:** Place the unit on a flat, stable surface such as a countertop, vanity, or inside a cabinet. Ensure the surface is dry and clean.
- 3. Ready for Use:** The unit is now ready to organize your cosmetics.

## OPERATING INSTRUCTIONS

This cosmetic storage unit is designed for intuitive use to keep your beauty products organized and easily accessible.

- Top Compartments:** The top section features 16 divided compartments of various sizes. These are ideal for storing items

vertically, such as:

- Lipsticks and lip glosses
- Nail polishes
- Makeup brushes and applicators
- Eyeliners and mascaras
- Small perfume bottles or serums

• **Sliding Drawers:** The two lower sections consist of sliding drawers. These drawers are suitable for:

- Eye shadow palettes
- Blushes and bronzers
- Compact powders
- Cotton pads or swabs
- Other smaller accessories that benefit from being enclosed.

## CARE AND MAINTENANCE

---

Proper care will ensure the longevity and appearance of your mDesign Cosmetic Storage Unit.

- **Cleaning:** Clean the unit with mild soap and water. Use a soft cloth or sponge to wipe down surfaces.
- **Drying:** Dry thoroughly with a soft, clean cloth to prevent water spots.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, scouring pads, or harsh chemicals, as these can scratch or damage the plastic and metal finish.
- **Dishwasher Safety:** This product is **not** dishwasher safe. Hand wash only.
- **Placement:** Avoid placing the unit in direct sunlight for extended periods to prevent potential discoloration of the plastic.

## TROUBLESHOOTING

---

The mDesign Cosmetic Storage Unit is a simple, non-electronic product with minimal components, so extensive troubleshooting is generally not required. However, here are a few common observations and solutions:

- **Unit Slides on Surface:** If the unit tends to slide on smooth countertops, consider placing a non-slip mat or small rubber feet (not included) underneath the base to provide better grip.
- **Drawers Stick or Don't Slide Smoothly:** Ensure the drawers are properly aligned within their tracks. Check for any debris or objects obstructing the drawer's movement. A small amount of silicone spray (applied to a cloth, then wiped on the tracks) can improve smoothness if needed, but avoid direct application to cosmetics.
- **Scratches on Plastic:** Minor scratches can sometimes be buffed out with specialized plastic polish, but deep scratches may be permanent. Always use soft cloths for cleaning to prevent scratches.
